APPENDIX
I] Village Background:

1. Name of Village:
   1. Taluk:
   2. Distance from taluk:
   3. Total population of the village:
   4. Water sources in the village:
      a) Open wells
      b) Tube wells
      c) Ponds
      d) River/ Nala
      e) Overhead tank
      f) Stand post
      g) Any other

2. Anganwadis:
   1. Number: ____________________
   2. Rented/ own building
   3. Size of staff: ____________________

II] Respondent's Background

1. Name
2. Age:
   • 16-24
   • 25-34
   • 35-39
• 40-44
• 45-49
• 50-54
• 55-59
• 60+

3. Caste:
   • Forward
   • Other Backward
   • SCs & STs

4. Religion
   • Hindus
   • Muslims
   • Christians
   • Buddhists

5. Sex: (1) Male (2) Female

6. Marital Status: (1) Married (2) Unmarried
   (3) Widow/ Widowers

7. Family background: Joint/ Nuclear

8. Education

9. Occupation

10. Income

11. Housing Background
    a) Kachcha
    b) Semi-Kachcha
    c) Pucca

12. Household head: (1) Male (2) Female

13. Livestock
    a)  

175
b) ____________
c) ____________
d) ____________
e) ____________

14. Land: ____________
   a) Acres ____________
   b) Dry/ Wet

III] Rural Development Programmes:

1. Rural Housing
   a) Awareness of House-cum-Construction Assistance
      Scheme (HSCCA)
      • Yes
      • No
   b) Application for Sites
      • Applied
      • Not Applied
   c) Allotment of Sites to Applicants
      • Allotted
      • Not Allotted
   d) Survey of Needs
      • Yes
      • No
   e) Identification of Beneficiaries in Open Meeting of Panchayat
      • Meeting was held in the Panchayat Office
      • Beneficiaries were not identified in an open meeting by panchayat
• Not aware of any such meeting

f) Do you believe that the allotment of Houses/Sites was done to the real beneficiaries of the village?
• Very few beneficiaries ____________
• More than 50% of the beneficiaries ____________
• Cent per cent beneficiaries ____________
• Do not know ____________

g) In your opinion, if the government took into account the needs of infrastructure, while constructing the houses?
• To a great extent ____________
• To some extent ____________
• Do not know ____________

   - Regularly __________
   - Not regularly __________
   - Never __________
IV] The Karnataka Integrated Rural Water Supply and Environment Sanitation Scheme:

1. Awareness of KIRWS & ES Scheme
   a) Very much
   b) Not much
   c) Not at all

2. Awareness regarding Community Contribution
   a) Aware
   b) Unaware

3. Have you made any efforts to mobilize Community Contribution? If yes, how much?
   a) Up to Rs. ____________
   b) Up to Rs. ____________
   c) Up to Rs. ____________
   d) Not at all

4. Opinion about officials visits:
   a) Visited
   b) Not at all visited

5. Opinion on regular water supply
   a) Regular
   b) Not regular
   c) Irregular

6. Respondents’ opinion on various sources of water
   a) Piped water supply
   b) Mini water supply
   c) Hand pump
7. Quality of water from KIRWS Project
   a) Good ________
   b) Better than before ________
   c) Same as before ________

8. Information on paying water tariff: Monthly tariff paid or not
   a) Yes ________
   b) No ________

9. Opinion of the stand post users
   a) Yes
   b) No

10. Respondents' cooperation with VWSC (Village Water Supply Council)
    a) Yes
    b) No

11. Respondents' Houses Connected with the village:
    Drainage
    a) Connected ________
    b) Not connected ________

12. Opinion of the Respondents about disposal of used water:
    What do you do with the waste water?
    a) Pour in a drain
    b) Pumped it on ground
    c) Developed water plants
    d) Developed kitchen garden
    e) Do not know
Sanitation

13. Types of Sanitary Facilities
   a) Twin pits latrine
   b) Single pits latrine
   c) Toilet with septic tank
   d) No sanitary facilities

14. Whether respondents constructed latrine under the scheme?
   a) Yes
   b) No

15. Respondents opinion about diseases
   a) Skin diseases ________
   b) Cholera ________
   c) Jaundice ________
   d) Healthy (no diseases)

16. Health and Hygienic conditions of the respondents: Health and hygienic conditions are improved?
   a) Agreed
   b) Disagreed
   c) Do not know

17. Suggestions from Respondents
   a) Identify real beneficiaries
   b) Provide supervision in the development programmes
   c) Provide technical awareness
   d) Create awareness about Rural Development Programmes
   e) Effective NGO’s services are urgently required
   f) Select only needy villages to implement Rural Development Programmes
Voluntary Agencies and Rural Development Programmes

1. Performance of NGOs
   a) General awareness about the project
   b) Identified ISL beneficiaries
