**ACKNOWLEDGEMENTS**

I have a great pleasure in expressing my heartfelt deep sense of gratitude to Dr. M.G. Venkatesha, Associate Professor, Department of Zoology, Bangalore University, Jnanabharathi, Bangalore - 560 056, for suggesting the research topic, guidance and sustained encouragement given through out the period of my study and greatly responsible for the successful completion of this Ph.D thesis.

I express my deep sense of gratitude to Dr. Jayaprajesh, the Chairman, Department of Zoology, Bangalore University for his encouragement and providing facilities to complete my Ph.D research work in the department.

I am grateful to all my teachers of Department of Zoology, Jnanabharathi, Bangalore University, Bangalore - 560 056 for their support and encouragement during my study period.

I avail this opportunity to express my deep sense of reverence and gratitude to Dr. K.P. Jayanth, Vice president, Bio-Control Research Laboratories, (PCI-BCRL), Bangalore, for his kind cooperation and facilities provided.

I am greatly indebted to Dr. G.B. Narasimha and Dr. S.S. Gayathri Devi, (PCI-BCRL), Bangalore, for invaluable encouragements, constant and timely help rendered in carrying out my research work.

My sincere thanks to my labmates Mr. S. Rajashekar, Mr. A.S. Dinesh, Mrs. Tanusri Basu, Mrs. Abhinandini I. David, and other research scholars of the departments of Bangalore University who were helpful to me in various ways during my work.

I am indeed fortunate to have friends like, T. P. N. Hariprasad, V. Anand Raju, R. Suresh and S.P. Gopala Krishna who not only made my stay with them a very pleasurable experience but also contributed in successful completion of work.

I owe my thanks to Mr. V. Manjunatha, K. Babu, Manjunath, Shivraj and V. Shreedhar, M. Manohar and C.A. Shobitha (PCI-BCRL) for their ungrudging cooperation, pleasant company and timely help in carrying out my research work. Gratitude is extended to Mr. B. Doddabasappa, R. Channakeshava and Ms B.C. Karma, Research scholars, Department of Entomology, UAS, Bangalore, who extensively contributed in successful completion of thesis work.

Sincerely I express my gratitude to the Librarians and staff of G.K.V.K., Indian Institute of Science, Project Directorate of Biological Control, BCRL and Bangalore University libraries for providing necessary literature.

My sincere thanks are due to my family members for their moral support, for their patience and perseverance during the period of my research.

---------any omission in this brief acknowledgement does not mean lack of gratitude.

B.S. RAVISHANKAR
