

List of figure

Figure 1.1: The relationship between investment efficiency and financial reporting quality – with particular reference to under-investment	6
Figure 1.2: The relationship between investment efficiency and financial reporting quality – with particular reference to over-investment.....	8
Figure 1.3: The relationship between investment efficiency and financial reporting quality with particular reference to under investment, cost of raising funds project selection and agency problems.....	9
Figure 2.1 TEPIX: Tehran Stock Exchange's main index	27
Figure 2.2 Top 10 Sectors by Market Capital, June 2010.....	32
Figure 4.1: Illustration of Residual with Negative and Positive Values with Dechow and Dichev Model.....	100
Figure 4.2: Illustration of Under / Over Investment with Growth Opportunity Model.....	105
Figure 4.3: accruals Mean fluctuations during 1996 – 2009.....	107
Figure 4.4: Mean fluctuations of CF_{t-1} , CF_t , CF_{t+1} , ΔR , PPE during 1996-2009.....	110
Figure 4.5: Mean fluctuation of Investment during 1997-2009.....	112
Figure 4.6: Mean fluctuations of $Sale\ Grow_{t-1}$, ROA_{t-1} , MTB_t , OP_t variables.....	115
Figure 4.7: Mean fluctuation of financial reporting quality residuals during 1996-2008.....	117
Figure 4.8: Mean fluctuation of under investment during 1997-2009....	120
Figure 4.9: Mean fluctuations of over investment during 1997-2009.....	122
Figure 5.1: Normal P-P Plot of standardized residual of FRQ regression.....	132
Figure 5.2: Accrual by z_{pred} Scatterplot.....	133
Figure 5.3: Accrual by cash flow of last year Partial Regression Plot....	134
Figure 5.4: Accrual by cash flow of current year Partial Regression Plot.....	135
Figure 5.2: Accrual by cash flow of next year Partial Regression Plot.....	136
Figure 5.3: Accruals by change in revenue Partial Regression Plot.....	137
Figure 5.4: Accruals by PPE Partial Regression Plot.....	138
Figure 5.5: Normal P-P Plot of standardized residual of investment efficiency regression.....	145
Figure 5.6: Investment by z_{pred} Scatterplot.....	146
Figure 5.7: Investment by OP Partial Regression Plot.....	147
Figure 5.8: Investment by MTB Partial Regression Plot.....	147

Figure 5.9: Investment by ROA Partial Regression Plot.....	148
Figure 5.10: Investment by SG Partial Regression Plot.....	148
