ACKNOWLEDGEMENT

The present study has been undertaken and completed under the expert guidance and supervision of Prof. Hemant Lata Sharma, Department of Education, M.D. University, Rohtak. I take this opportunity to extend my deep and sincere gratitude to her for the esteemed guidance, constant encouragement, sustained availability, detailed and constructed comments and timely support. I would like to thank her sincerely for guiding me to take such a challenging and novel topic for my research and at the same time allowing me the room to explore new things, new ways and finally peruse the research in my own way. I am also thankful to her continued belief in my ability and motivating me work hard to achieve my target. Her extensive discussions around my work, amazing scanning ability and interesting explorations in operations have been very helpful in the improvement of the study. From the deep core of my heart I owe my profound sense of gratitude to my supervisor for her resourceful direction, steadfast support, excellent review and valuable guidance from the beginning till the completion of the project. I could not have imagined having a better advisor and mentor for my Ph.D. study.

Besides my advisor, I wish to express my warm and sincere thanks to Professor (Mrs.) Indira Dhull, Dean and Head of the Department of Education, M.D. University, Rohtak for her encouragement, insightful support and numerous stimulating discussions. Her wide knowledge of the subject and her logical way of thinking has been of great value for me. I thank her sincerely for constructive criticism, excellent advice and above all her mesmerizing smiling support which motivated me to complete the study successfully.

I am also grateful to Mr. M.Bhardwaj Principal, M.M. Public School, Assandh, Karnal for not only granting me permission to conduct my research work, but also healthy interaction which enlightened my way of thinking and helped me to move in the right direction. I am also under obligation to thank the teachers of the above mentioned school for their co operations in adjusting their time and arranging the place to conduct my study. I would like to sincerely thank class IX students for their enthusiastic participation in the study. Their co operation was really a great help to proceed with the present study comfortably.
Above all, I raise my heart, expressing my deepest sense of gratitude to the almighty for His abiding grace and blessings, which gave me the strength for completing this research study successfully.
