

LIST OF FIGURES

Fig. No.	Title	Page No
1	Map showing different collection sites of Dal Lake	33
2	Map showing different collection sites of River Jhelum	34
3	Concentration of Copper, Zinc, Iron and Manganese in Dal and River Jhelum during March 2005 – 2006	119
4	Concentration of Copper, Zinc, Iron and Manganese in Dal and River Jhelum during March 2006 – 2007	119
5	Copper concentration in gills of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	120
6	Copper concentration in gills of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	120
7	Copper concentration in gills of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	121
8	Copper concentration in gills of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	121
9	Copper concentration in liver of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	122
10	Copper concentration in liver of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	122

11	Copper concentration in liver of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	123
12.	Copper concentration in liver of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	123
13.	Copper concentration in kidney of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	124
14.	Copper concentration in kidney of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	124
15.	Copper concentration in kidney of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	125
16.	Copper concentration in kidney of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	125
17.	Copper concentration in muscle of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	126
18.	Copper concentration in muscle of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	126
19.	Copper concentration in muscle of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	127

20.	Copper concentration in muscle of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	127
21.	Zinc concentration in gills of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	128
22.	Zinc concentration in gills of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	128
23.	Zinc concentration in gills of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	129
24.	Zinc concentration in gills of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	129
25.	Zinc concentration in liver of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	130
26.	Zinc concentration in liver of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	130
27.	Zinc concentration in liver of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	131
28.	Zinc concentration in liver of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	131

29. Zinc concentration in kidney of *Schizothorax niger* from Dal lake during March 2005 to February 2007 132
30. Zinc concentration in kidney of *Cyprinus carpio* spp. from Dal lake during March 2005 to February 2007 132
31. Zinc concentration in kidney of *Schizothorax niger* from River Jhelum during March 2005 to February 2007 133
32. Zinc concentration in kidney of *Cyprinus carpio* spp. from River Jhelum during March 2005 to February 2007 133
33. Zinc concentration in muscle of *Schizothorax niger* from Dal lake during March 2005 to February 2007 134
34. Zinc concentration in muscle of *Cyprinus carpio* spp. from Dal lake during March 2005 to February 2007 134
35. Zinc concentration in muscle of *Schizothorax niger* from River Jhelum during March 2005 to February 2007 135
36. Zinc concentration in muscle of *Cyprinus carpio* spp. from River Jhelum during March 2005 to February 2007 135
37. Iron concentration in gills of *Schizothorax niger* from Dal lake during March 2005 to February 2007 136

38.	Iron concentration in gills of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	136
39.	Iron concentration in gills of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	137
40.	Iron concentration in gills of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	137
41.	Iron concentration in liver of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	138
42.	Iron concentration in liver of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	138
43.	Iron concentration in liver of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	139
44.	Iron concentration in liver of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	139
45.	Iron concentration in kidney of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	140
46.	Iron concentration in kidney of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	140

47.	Copper concentration in kidney of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	141
48.	Iron concentration in kidney of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	141
49.	Iron concentration in muscle of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	142
50.	Iron concentration in muscle of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	142
51.	Iron concentration in muscle of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	143
52.	Iron concentration in muscle of <i>Cyprinus carpio</i> spp. from River Jhelum during March 2005 to February 2007	143
53.	Manganese concentration in gills of <i>Schizothorax niger</i> from Dal lake during March 2005 to February 2007	144
54.	Manganese concentration in gills of <i>Cyprinus carpio</i> spp. from Dal lake during March 2005 to February 2007	144
55.	Manganese concentration in gills of <i>Schizothorax niger</i> from River Jhelum during March 2005 to February 2007	145

56. Manganese concentration in gills of *Cyprinus carpio* spp. from River Jhelum during March 2005 to February 2007 145
57. Manganese concentration in liver of *Schizothorax niger* from Dal lake during March 2005 to February 2007 146
58. Manganese concentration in liver of *Cyprinus carpio* spp. from Dal lake during March 2005 to February 2007 146
59. Manganese concentration in liver of *Schizothorax niger* from River Jhelum during March 2005 to February 2007 147
60. Manganese concentration in liver of *Cyprinus carpio* spp. from River Jhelum during March 2005 to February 2007 147
61. Manganese concentration in kidney of *Schizothorax niger* from Dal lake during March 2005 to February 2007 148
62. Manganese concentration in kidney of *Cyprinus carpio* spp. from Dal lake during March 2005 to February 2007 148
63. Manganese concentration in kidney of *Schizothorax niger* from River Jhelum during March 2005 to February 2007 149
64. Manganese concentration in kidney of *Cyprinus carpio* spp. from River Jhelum during March 2005 to February 2007. 149

65. Manganese concentration in muscle of *Schizothorax niger* from Dal lake during March 2005 to February 2007 150
66. Manganese concentration in muscle of *Cyprinus carpio* spp. from Dal lake during March 2005 to February 2007 150
67. Manganese concentration in muscle of *Schizothorax niger* from River Jhelum during March 2005 to February 2007 151
68. Manganese concentration in muscle of *Cyprinus carpio* spp. from River Jhelum during March 2005 to February 2007 151
69. Estimation of total protein in *Schizothorax niger* collected from Dal lake during March 2005 to February 2007 152
70. Estimation of total protein in *Cyprinus carpio* spp. collected from Dal lake during March 2005 to February 2007 152
71. Estimation of total protein in *Schizothorax niger* collected from River Jhelum during March 2005 to February 2007 153
72. Estimation of total protein in *Cyprinus carpio* spp. collected from River Jhelum during March 2005 to February 2007 153
73. Estimation of albumin in *Schizothorax niger* collected from Dal lake during March 2005 to February 2007 154

74.	Estimation of albumin in <i>Cyprinus carpio</i> spp. collected from Dal lake during March 2005 to February 2007	154
75.	Estimation of albumin in <i>Cyprinus carpio</i> spp. collected from River Jhelum during March 2005 to February 2007	155
76.	Estimation of albumin in <i>Schizothorax niger</i> collected from River Jhelum during March 2005 to February 2007	155
77.	Estimation of globulin in <i>Schizothorax niger</i> collected from Dal lake during March 2005 to February 2007	156
78.	Estimation of globulin in <i>Cyprinus carpio</i> spp. collected from Dal lake during March 2005 to February 2007	156
79.	Estimation of globulin in <i>Schizothorax niger</i> collected from River Jhelum during March 2005 to February 2007	157
80.	Estimation of globulin in <i>Cyprinus carpio</i> spp. collected from River Jhelum during March 2005 to February 2007	157
81.	Estimation of glucose in <i>Schizothorax niger</i> . collected from Dal lake during March 2005 to February 2007	158
82.	Estimation of glucose in <i>Cyprinus carpio</i> spp. collected from Dal lake during March 2005 to February 2007	158

83.	Estimation of glucose in <i>Schizothorax niger</i> . collected from River Jhelum during March 2005 to February 2007	159
84.	Estimation of glucose in <i>Cyprinus carpio</i> spp. collected from River Jhelum during March 2005 to February 2007	159
85.	Estimation of urea in <i>Schizothorax niger</i> . collected from Dal lake during March 2005 to February 2007	160
86.	Estimation of urea in <i>Cyprinus carpio</i> spp. collected from Dal lake during March 2005 to February 2007	160
87.	Estimation of creatinine in <i>Schizothorax niger</i> collected from Dal lake during March 2005 to February 2007	161
88.	Estimation of creatinine in <i>Cyprinus carpio</i> spp. collected from Dal lake during March 2005 to February 2007	161
89.	Estimation of urea in <i>Schizothorax niger</i> collected from River Jhelum during March 2005 to February 2007	162
90.	Estimation of urea in <i>Cyprinus carpio</i> spp. collected from River Jhelum during March 2005 to February 2007	162
91.	Estimation of creatinine in <i>Schizothorax niger</i> collected from River Jhelum during March 2005 to February 2007	163

92. Estimation of creatinine in *Cyprinus carpio* spp. 163
collected from River Jhelum during March 2005 to
February 2007
93. Estimation of cholestrol in *Schizothorax niger* 164
collected from Dal lake during March 2005 to
February 2007
94. Estimation of cholestrol in *Cyprinus carpio* spp. 164
collected from Dal lake during March 2005 to
February 2007
- Estimation of cholestrol in *Schizothorax niger* 165
collected from River Jhelum during March 2005 to
February 2007
- Estimation of cholestrol in *Cyprinus carpio* spp. 165
collected from River Jhelum during March 2005 to
February 2007
