

ACKNOWLEDGEMENTS

Every life is a marathon, and the goal is to achieve yours. First and foremost, praises and thanks to the Almighty, for His showers of blessings throughout my research work to achieve one of the major goal of my life.

I am immensely pleased to place on record my profound gratitude and sincere appreciation to my esteemed supervisor, Dr. Anupma Marwaha, Associate Professor, Department of Electronics and Communication Engineering, SLIET, Longowal for providing invaluable guidance throughout this research. Her dynamism, vision, sincerity and motivation have deeply inspired me. It was a great honor to work under her guidance. I am extremely grateful for her friendship, empathy, and fruitful discussions. The idea of research topic blossomed with the first pioneering step of her soul mate as a child. I am extending my thanks to her family for their acceptance and patience during the discussion I had with her on research work and thesis preparation.

I am highly grateful to Dr. Sunil Pandey, Director, Sant Longowal Institute of Engineering and Technology, for providing this opportunity to carry out the present thesis work.

My Special thanks goes to my friendly colleagues Dr. Sanjay Marwaha, Dr. V.K Jain, Dr. J. S Dhillon, Dr. Amarpartap Singh, and Dr. Sanjeev Singh for all their help and sharing their expertise to complete this thesis successfully. This big milestone in my life would have been impossible without their support.

I am indebted to my parents for their love, unceasing prayers, caring and sacrifices for educating and preparing me for my future. I am forever indebted to my father who planted the seed of idea to do research and his encouragement in attaining my goal. Also

I express my thanks to my brother Rajeev Maini, sister in law Sindhu Maini and nephews Bhaveek & Sanit for their support and invaluable prayers.

I also record my appreciation and thanks to my friends, Dr. Hapreet Kaur, Dr. Kamlesh Kumari, Dr. Vijaya Musande, Mr. Ajay Pal Singh Randhawa, , and Mr. Chetan Vasudeva for their constant encouragement.

Besides this, I thank all those people who have helped me knowingly and unknowingly in the successful completion of this research work. Anyone missed in this acknowledgement are also thanked.
