Acknowledgement

The author wishes to acknowledge the fine co-operation rendered by Prof. (Dr. Mhaiskar S.Y.) dean and further faculty members of the Department of Electronics and Telecommunication Engineering MPSTME, SVKM’S NMIMS University MUMBAI.

I would like to thank my Guide Dr. B. K. Mishra for his constant support, encouragement and positive criticism rendered throughout the dissertation, without which the dissertation would not have been accomplished.

Further, it is a pleasure on his part to express his appreciation to his co-workers for their constructive comments and assistance. I would like to thank my family members, friends, well wishers along with the almighty for their patience, love and practical support.

Finally the author gratefully acknowledges the contribution of every individual who helped him in preparing the manuscript in its present form.
