Design and Development of Learning Model to Optimize the Mathematical Pathway Using Mathematical Modeling and Computer Based Techniques

A Thesis submitted by

ANNAPURNA S KAMATH

In partial fulfilment for the degree of
Doctor of Philosophy

In the faculty of Science
Under the guidance of
Prof. Dr. P.K.Srimani, F.N.A.Sc

Department of Computer Science and Applications
Bangalore University, Bangalore - 560001, India
October 2011
