Acknowledgements

I express my deep sense of gratitude to my guide Dr. K B RAJA, Ph.D Associate Professor, Department of Electronics and Communication Engineering, Bangalore University, Bangalore for his inspiring guidance, encouragement and invaluable discussion throughout the course of my Ph.D. work. It has been an enriching experience to work with him. In fact, he has remained a source of enlightenment and inspiration to me. I am very grateful to him for giving me an opportunity to carry out my research on a fascinating field of practical interest and importance. I sincerely appreciate his deep sense of understanding, untiring enthusiasm and his patience during the completion of this thesis.

I am profoundly grateful to Dr. Venugopal K R Principal, University Visvesvaraya College of Engineering, Bangalore University, Bangalore for his unstinted support and encouragement throughout the course of my Ph. D. work.

I record my sincere gratitude to Dr. P Deepa Shenoy, Dr. K Suresh Babu, for their unstinted support and encouragement throughout the course of my Ph. D. work.

I record my sincere gratitude to Dr. S H Manjula, Chairman, Department of Computer Science and Engineering, U V C E, Bangalore and Dr. Thriveni J for their friendliness, valuable advice, continuous support and encouragement throughout my course work.

My special thanks to Dr. Pandurangappa C Professor, Dept of Mathematics, Rajarajeshwari College of Engineering and Dr. U N Kempaiah, for their continuous support and valuable suggestions throughout my course work.

I am profoundly grateful to trustees of Alpha Educational Trust, Sri. K Thygaraj, Smt. Rukmini Thygraj, Sri. R Srinivas, Sri. S Appaiah, Sri. B Venkataramana Reddy and Sri. Shivaparakash T for their wholehearted advice and
encouragement. I also express my appreciation for the help given to me by Dr. S M Prakash, Principal, Alpha College of Engineering, Bangalore, Dr. B J Raghunath Director, Impact C E, Bangalore and colleagues and students, Alpha College of Engineering, Bangalore throughout my course work.

I also recall with deep sense of emotion, the care, affection and co-operation shown by all my colleagues and friends at Department of Computer Science and Engineering, U V C E, Bangalore. It would be impossible to list here the names of all the friends with whom I consider myself fortunate to have been acquainted. I shall simply take this opportunity to thank very sincerely each and every one of the friends I have known and learnt and I trust they will understand if I restrict myself here to just a few of them. I thank Mr. Rangaswamy Y, Mr. Prashanth C R, Lakshmisha S K, Veenakumari C V, Dr. Anitha Kanavalli, Dr. Shyla K, Pavitra K, Yashavini K, Jyothi Srinivas rao, Raghavendra M A N S, Vineetha S, Abhilash S K.

I recall with regards and gratitude the good feeling and encouragement of my sister Smt. Jalaja A C and brother Mr. Somashekar A C, my parents Mr. Chowdappa C M, Smt. Parvathamma, my inlaws Mr. Munivenkatappa M V, Smt Padmamma and other close relatives in my academic pursuits.

I recall with sincere gratitude and appreciation to my better half Bharathi V M and my lovely children Ankith R and Akshith R for their love, affection, patience and sacrifice during the period of my study.

Ramachandra A C.
