
ACKNOWLEDGEMENT

I take this opportunity to express my most sincere gratitude to my research guide, **Prof. Dr. B. K. Mishra** for his precious guidance, support and encouragement throughout the course of my studies. His vast experience, profound view points, and extraordinary motivation enlightened me in many ways. In fact, he has not only given me many useful ideas, and advice in performing my research, but his deep understanding of the subject proved to be of immense help to me in the invention of the various antennas.

I convey my heartiest and sincere gratitude towards Dean **Dr. Sharad Mhaikar**, NMIMS University, for his invaluable advice, support and timely help throughout the course of my studies.

Special thanks are reserved for Hon'ble **Prof. M. N. Navale**, Founder President of STES, for providing a healthy environment towards success of my research study.

I would like to extend my appreciation and thanks to **Dr. A. G. Kharat**, Principal, Sinhgad Academy of Engineering, Kondhwa, Pune, for his moral support and motivating me to complete my thesis.

I am also grateful to my dear friend **Mr. Sanjay Gandhi**, **Dr P. Malathi** and especially to **Mrs. Jayashree** who are not only friends in need but a friend indeed.

Genuine thanks are due, towards my fellow staff, friends and colleagues for all of their support in testing, reviewing the measurements, technical and computer assistance throughout my research program and all other instances in which their assistance helped me along the way.

I cannot end without mentioning my deepest appreciation to all of my family members, who provided all round understanding, patience and honest support during the period of my study and ensured that I was able to see this day.

Lastly, I extend my sincere gratitude and thanks to all those who helped me directly or indirectly in completing my thesis.

Mr. Pratap Nivrutti Shinde
