ACKNOWLEDGEMENTS

I take the opportunity to express my profound gratitude and deep regards to my guide Dr. Manuj Darbari, Professor, Department of Computer Science & Engineering, Babu Banarasi Das University, Lucknow for his exemplary guidance, monitoring and constant encouragement throughout the course of this thesis. The blessings, help and guidance given by him time to time shall carry me a long way in the journey of life on which I am about to embark.

I would also like to thank Dr. A. K. Mittal Vice Chancellor, Babu Banarasi Das University, Dr. Seethalekshmi K., Dean, School of Engineering, Babu Banarasi Das University, Dr. S. Ahmad Ali, Dean, Applied Sciences, Babu Banarasi Das University and Dr. V. K. Singh, Head, Department of Information Technology, Babu Banarasi Das National Institute of Technology & Management for their constant support, encouragement under this aura of academic excalibur, their enormous experience, their sincerity towards their duty which have truly inspired me leaps and bounds.

I must not forget to appreciate the extreme patience and support of my wife Mrs. Parul Srivastava during this work. I am really thankful to her. I also owe this research work to my loving daughters Ratika and Nitya who were extremely affectionate throughout.

I thank my parent, sister, brothers and friends for their constant encouragement without which this assignment would not be possible.

Last but not the least I would like to thank the almighty for showering on me his choicest blessing and helping me to achieve my goal.
