ACKNOWLEDGEMENTS...

The satisfaction, which is accomplished after successful completion of any task is incomplete without mentioning the names of people who made it possible.

I am deeply grateful to my supervisor Dr. Ravindra R.P. for his immense knowledge and valuable and continuous guidance, support, patience, motivation, and enthusiasm throughout my study. His guidance helped me in all phases of my research work and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D study.

I gratefully acknowledge Dr. R.S. Gaud, Dean, Pharmacy & Technology Management, NMIMS and Dr. Bala Prabhakar, Associate Dean, SPPSPTM, NMIMS, Mumbai for their understanding, encouragement and personal attention, throughout my doctoral research.

With feeling of profound gratitude, I can say that the major credit of this work goes to a great personality, Dr. P.G. Shroti, Director - Pharma. Research, NMIMS, Mumbai. His overwhelming enthusiasm, integral view on research and his timely suggestions have shaped this research to large extent.

I wish to extent my sincerest gratitude to Dr. Meena Chintamaneni, Associate Dean, SPPSPTM, NMIMS Mumbai for her remarkable dedication and enthusiasm towards this project.

I thank my RRC members for their helpful suggestions and comments during my progress report presentations.

I would also like to thank some people from early days of my research tenure. Dr. Kala Kulkarni, Dr. Kailash Bothara, Dr. Shirish Deshpande, Dr. Ashwini Deshpande, Dr. Chandrakant Bonde, Dr. Sateesh Belemkar, Dr. Anil Pethe, Dr. Smita Bonde, Dr. Shivprasad Majumdar and Prof. Ajay Wagh were among those who kept me going at the beginning. This list is incomplete without acknowledging Prof. S.B. Gokhale, Dr. Jitendra Amrutkar, Dr. Pravin Shende, Dr. Surendra Agrawal, Dr. Santosh Yele, Dr. Yogesh Kulkarni, Dr. Lalit Sonawane, who were the source of inspiration for me in my early days and who taught me many things.

It’s my fortune to gratefully acknowledge the support of some special individuals. Words fail me to express my appreciation to Dr. Shashikant Bagade and Prof. Amit Page for their support and generous care. They were always beside me during the happy and hard moments.
to push me and motivate me. I can see the good shape of my thesis because of their help and suggestions in formatting the entire thesis.

I would also like to extend huge, warm thanks to Mr. Prafulla Rajput, Mr. Mukesh Sonawane, Mr. Hansraj Ahire, Mr. Chandrakant Bagul and Mr. Mahesh Patil.

I am indebted to some of my good friends Dr. Bhushan Rane, Mr. Laxmikant Zawar and Mr. Darshan Telange for their valuable help and support.

Where would I be without my family? My parents deserve special mention for their inseparable support and prayers. I would like to pay high regards to my Aai and Nana, brother Rakesh and my sisters Savita and Lalita for their sincere encouragement and inspiration throughout my research work and lifting me uphill this phase of life.

I owe everything to them. Besides this, several people have knowingly and unknowingly helped me in the successful completion of this project.

Words fail me to express my appreciation to my wife Mrs. Anjali whose dedication, love and persistent confidence in me, has taken the load off my shoulder. I owe her for unselfishly letting her intelligence, passions and ambitions merge with mine. Therefore, I would also thank Malpure Family for letting me take her hand in hand and accepting me as a member of the family, warmly.
