Statement by the candidate

This is to submit that this written submission in my thesis entitled “Micro Particulate Delivery System for Anti-Tubercular Drugs” represents my ideas in my own words and where others’ ideas or words have been included, I have adequately cited and referenced the original sources. I also declare that I have stick to all principles of academic honesty and integrity and have not misrepresented or fabricated or falsified any idea/data/fact/source in my submission. I understand that any violation of the above will be cause for disciplinary action by the School and can also evoke penal action from the sources which have thus not been properly cited or from whom proper permission has not been taken when needed.

Patents related to API, process, product, method and equipment have been examined to ensure non–infringing approach to the existing patents.

This thesis encompasses the information generated by me based on experiments work carried out in the Institute / Industry. I assure and hold full responsibility for its genuineness.
