Acknowledgement

To the Almighty God, I express my gratitude for the grace to go through this research work.

I am falling short of words in expressing my immense gratitude for my revered Mentor Dr. Nancy Pandita for the continued enthusiasm, support and advice throughout the work. Her constant guidance, encouragement and keen personal interest inspired me to work more diligently and efficiently. I have been extremely lucky to have her, who not only has great research achievements but also has a good human nature. I will view Dr. Pandita as a role model of how I should conduct myself professionally and personally.

I specially thank Dr. Ashok Bhagwat, Dr. Sasikumar Menon, Dr. Ramchandra Joshi, and Dr. Mayur Yergeri of doctoral committee for their constant support and guidance throughout the research work.

I take this opportunity to express my gratitude towards Dr. Aparna Khanna, Dean, School of Science, for providing inspiration, resources and facilities required for completion of research work.

I am also bound to thank to Dr. Dhananjaya Saranath for her generous and cooperative attitude.

I am thankful to Dr. Purvi Bhatt, Dr. Brijesh Sukumaran, and Mr. S. Shirvaiker for their support and encouragement.

I am also thankful to Dr. Sanjeev Srivastava and Mr. Ravindra Kumar, Proteomics Laboratory IIT Bombay for guiding me in molecular studies.

I would like to thank Prof. Rashmi Mallya and Rane Sir from BNCP for their help in Pharmacognoccy Studied.

I would like to thank Dr. Sunita Shailajan, Botany Department, and Ms. Shreedha from Dr. P.S Ramanathan Advanced Instrumentation Centre, Ruia College, Mumbai for helping me in animal studies and GC-MS analysis.
A special thanks to Dr. R. S. Gaud, Dean, Ms. Geeta Pai, and Dr. Yogesh Kulkarni from SPPSPTM, NMIMS, for technical analysis in Central Instrumentation Lab and animal facility.

I remain highly indebted to the lab technicians especially Ms. Madhuri for helping me in the lab throughout my studies.

I am thankful to Dr. Lokesh Bhatt, Ms. Mansi Mantri, Dr. Laxman Sawant, and Mr. Jai Savai for their timely help throughout my research work.

I thank Ms. Mansi Naik, Ms. Neena Jamsandekar, Ms. Shweta and other non-teaching staff for their timely help.

It is not an exaggeration to say that without my friend Ms. Vinita and Ms. Nirmla, I would never have finished my degree a big thanks to both of them for helping and loving me unconditionally. I would like to add Viraj, Krishan, Mayur, Sapna, Ashlesha and all seniors and juniors for always being supportive. My heartfelt thanks to all my friends whom I have not mentioned namely for always being supportive to me.

Especially, I would like to give my deepest thanks to my family for their unconditional support, this research work would be impossible without them.

Through all may not be mentioned, none is forgotten. I would like to thank all the persons who helped me directly and indirectly in the successful completion of this research work. Last, but not least, a big thanks and an apology to everybody whose contribution I could not mention in this page, but their timely help navigated me through the waves of difficulty during my dissertation.

I will remain forever indebted to the lives of the animals, sacrificed during the experiments which were done with the noble purpose of widening the horizons of science.

Sweta V. Jha
