

## LIST OF TABLES

<i>Table</i>	<i>Title</i>	<i>Page</i>
3.1	Criteria for Summary Writing for Pre-test	86
3.2	Criteria for Paragraph Writing for Pre-test	90
3.3	Criteria for Summary Writing for Post-test	94
3.4	Criteria for Paragraph Writing for Post-test	98
4.1	Demographic details of participants	130
4.2	Gender Distribution	132
4.3	Degree Program Major	133
4.4	Paired samples statistics for overall test scores	136
4.5	Correlation analysis of pre-test and post-test scores	137
4.6	Paired T-test for overall score	139
4.7	Details of pre-test and post-test scores in relation to gender	141
4.8	Differences in pre-test and post-test scores with respect to gender	142
4.9	Details of pre-test and post-test scores in relation to degree program major	144
4.10	Differences in pre-test and post-test scores with respect to degree program major	145

4.11	Differences among Overall Mean Scores of Various Test Component	148
4.12	Differences among mean scores of various test components in relation to gender	149
4.13	Differences among mean scores of various test components in relation to degree program major	151
4.14	ANOVA for various test components	154
4.15	ANOVA in relation to gender	156
4.16	ANOVA in relation to degree program major	158
4.17	Test of Homogeneity of Variances for overall scores	161
4.18	Multiple comparisons through post-hoc tests for overall scores	162
4.19	Test of Homogeneity of Variances for overall scores in relation to gender	164
4.20	Multiple comparisons through Tukey HSD post-hoc test for overall scores for males	166
4.21	Multiple comparisons through Tukey LSD post-hoc test for overall scores for males	168
4.22	Multiple comparisons through Tamhane post-hoc test for scores for females	171
4.23	Test of Homogeneity of Variances in relation to degree program major	174

4.24	Multiple comparisons through Tamhane post-hoc test for scores for BBA majors	175
4.25	Overall enjoyment scores	178
4.26	Comprehensibility scores	179
4.27	Time frame scores	181
4.28	Resources enjoyment scores	183
4.29	Interactivity and feedback scores	184
4.30	Self-perception scores	185
4.31	Attitudes towards technology scores	186
4.32	Pearson's correlation between overall program enjoyment and resource enjoyment	188
4.33	Pearson's correlation between overall program enjoyment and interactivity and feedback	189
4.34	Pearson's correlation between overall program enjoyment and self-perception	190
4.35	Pearson's correlation between overall program enjoyment and attitudes to technology	191
4.36	Pearson's correlation between attitudes towards technology and comprehensibility	192
4.37	Pearson's correlation between attitudes towards technology and resource enjoyment	193

4.38	Pearson's correlation between attitudes towards technology and interactivity and feedback	194
4.39	Pearson's correlation between comprehensibility and ease of access	195
4.40	Pearson's correlation between comprehensibility and time	196
4.41	Pearson's correlation between comprehensibility and resource enjoyment	197
4.42	Pearson's correlation between comprehensibility component and interactivity and feedback	198
4.43	Pearson's correlation between resource enjoyment and interactivity and feedback	199
4.44	Pearson's correlation between resource enjoyment and comprehensibility	200
