Acknowledgements

I sincerely and wholeheartedly express my gratitude to my Guides Dr Vaishali Londhe and Dr Amrita Bajaj who have been a constant source of motivation, support and encouragement both professionally and personally. It was indeed a pleasure to have them as my guides and I feel blessed. They have taken extreme efforts to go through and design the project before initiation and during the process. They have always helped me in all my endeavours and have unfailingly stood by me whenever I needed them.

I thank Dr Danny Kao and Dr Najib Babul of Relmada Therapeutics Inc, for giving me the golden opportunity work on this project and sponsoring the project, sending novel chemicals and giving their valuable inputs.

I am grateful to the Dr RS Gaud, Dean SPPSPTM for giving me a platform to carry out my project in the college and for his ever ready support and motivation. I would also like to thank Dr. Bala Prabhakar and Dr Meena Chintamanini for the constant support they have rendered and insights given during my PhD tenure. Dr Shrotriya, Director Pharma research for his technical inputs in my project work

I sincerely thank the Faculty at SPPSPTM NMIMS, especially Dr Surendra Agrawal, Ms Sarika Wairkar, Ms Deepali Kaduskar, Ms Amisha Vora, Ms Alice Varghese, Ms Divya Suares, Dr Saraswathy, Dr Ketkee Deshmukh, Dr Yogesh Kulkarni, Dr Sujata Sawarkar, Dr Bhide, for their constant advice and timely guidance.

A big and heartfelt thank you goes to My friends, PhD colleagues and MPharm juniors at SPPSPTM, Astha Mehta, Jay Savai, Sunita Ma’am, Geeta Ma’am, Dhaival Patel, Anup Ramdhave, Manju Bhaskar, Swathi Muthyam, Neha Ojha, Mayuresh Garud, Sona warrier, Vikas Verma, Ms Sukanya Gopalkrishnan, Ms Priya Ghumatkar, Chirag Desai, Khushbu Zope, Malay Pandya, Vatsal Thakkar, Disha Pandit, Prakarsha, Krutika, Manju, Sanju, Sumit, Vaidehi and Chintan. They have helped, motivated me throughout the PhD project work and have been a great source of support and encouragement.

The staff at SPPSPTM Ms Manasi Rane, Mr Rajesh, Mr Shailesh Indulkar, Ms Meera, Mr Manoj, Mr Mahendra, Ms Kavita Nitore, Mr Indrajeet, Mr Swapnil, Mr Nilesh, Mr Santosh. The administrative staff at NMIMS especially Mr Mangesh Lanjekar, Mr Murli Duseja (Dy Registar), Ms Anjalika Gujar (Asst Registar) Ms Mansi Talegaonkar, Ms Sony, Ms Indrayani and Ms Swati. They have given me constant support in many aspects of my PhD work and have been very helpful and understanding through out

I thank Dr Vavia, Dr Madhusudhan Rao and Dr Omray who were a part of my RRC and TAC committees and have given valuable inputs which have created a positive impact on the thesis.
I am extremely thankful to Gattefosse, for oils and surfactants, Lubrizol, Chem spark, Evonic Degussa and DKSH for gift samples of Chemicals. It was provided when needed. A special mention of Mr Somaya Baduvanda, Aptar Pharma for giving me huge amounts free samples of spray containers.

I thank Dr Sanjay Boldhane and Ms Meenu from Abbott for help with Texture analysis studies, Mr Pravin Patil, UDCT for SEM studies, Dr Mahajan, Dr Pradumna Ege from R C Patel, Shirpur for DSC and particle size analysis Mr Nilesh Kulkarni, TIFR for XRD studies, Mr Bhaskar from KMK for viscosity studies, Dr Mote for Histopathology studies. NIRRH deserves a special mention for the cooperation of the faculty members Ms Nafisa Balasinor and Ms Dipty Singh and technical staff members specially Ms Surayakant as well as Ms Shobha, Ms Reshama, Ms Priyanka and Mr Mahadev for confocal studies and TEM. They have been extremely helpful and understanding.

My friends and colleagues from other colleges who have given me sound advice, helped me in every possible way, guided me in times of doubts and been there for me always, Girish, Darshana, Shruti, Dipesh, Manali, Sampada, Agnivesh, Tejashree and Ms Anjali Singh. A special and heartfelt thank you goes to Kavita who has stood beside me in good and bad times.

A heartfelt thank you to my friend Anuj, who has helped me with the compilation of the project and taught me basic excel skills very patiently and invested his precious time in the process and been with me through the difficult times. I thank Amit for helping me with software basics even at the last moment. Thanks go to Avani for her help with few technical aspects. My friends Satej, Sneha Kamath, Uma, Shweta Pilankanar, Shweta pawar, Chintan, Pranav, Dhanashree, Harsh Shah, Kiran, Pranali, Kunal, Pratik, Mrunmayi, who have stood by me through this entire process and witnessed my ups and downs and gave me constant encouragement.

This thesis would not have been possible without the support of my parents. They have given me unconditional support in everything I choose to do with great enthusiasm and strength. Their motivation and encouragement has helped me across many difficult paths. They have understood my mood and frustrations and still had patience with me. My extended family which includes my grandparents, uncles, aunts and cousin Sumedh who have always supported and helped me in the completion of my project.

Yours Sincerely

Sneha C. Ranade
