Socio-Cognitive Theories........78
Cognitive Socio-Cultural Theories........80
Differentiating Piagetian and Vygotskian Views........82
Andragogy Theory........83
Elaboration Theory........85
Behavioral Learning Theories........86
Speech Theory........87
Motivational Theories........88
The Input Hypothesis........90
Affective Filter Hypothesis........91
The Output Hypothesis........92
Noticing Hypothesis........93
Interaction Hypothesis........94

References........96

CHAPTER III COOPERATIVE LEARNING METHODS........101-171

Cooperative Learning Activities........101
  Three-Step Interview........102
  Thinking-Aloud Pair Problem-Solving........102
  RoundRobin........103
  RoundTable........103
  Think-Pair-Share........104
  Solve-Pair-Share........104
  Numbered Heads Together........105
Essential Features of Structured Cooperative Learning Methods........106
  Instructor as a Fellow Facilitator Expert........107
  Adherence to a Learning Culture........108
  Criterion-Based Group Formation........108
  Face-to-Face Interaction........110
  Interpersonal and Collaborative Skills........111
  Positive Interdependence........112
  Individual Accountability........116
  Equal Participation........117
  Simultaneous Interaction........118
  Group Processing of Interaction........118
  Continuity of Group Interaction........119
Cooperative Learning Methods........119
  Group Investigation ..........120
  Learning Together / Cooperative Team-Based Learning..........122
  Reciprocal Teaching of Reading ..........123
  Cooperative Integrated Reading and Composition ..........125
  Jigsaw I..........126
  Jigsaw II..........128
  Constructive Controversy ..........129
  Student Teams-Achievement Divisions ..........131
  Teams-Games-Tournaments ..........132
Method Engineering........133
Teams’ Members Tournaments ........134
Competitive Team-Based Learning ..........136
  Competitive Team-Based Learning in the Classroom ........140
  Competitive Team-Based Learning and Evaluation System........140
  Competitive Team-Based Learning as a Motivating Agent in Evaluation System........144
  Competitive Team-Based Learning and the view of Language Learning........147
  Competitive Team-Based Learning and the Role of Tasks and Materials........148
  Competitive Team-Based Learning and Learning Culture........149
  Competitive Team-Based Learning, Flexibility, and other Methods and Approaches in ELT........150
  Globalization and the Significance of Competitive Team-Based Learning........152
  Competitive Team-Based Learning and Teachers’ Responsibilities........153
  Competitive Team-Based Learning and Students’ Responsibilities........159
Analysis of Cooperative Learning Methods.........160
  Cooperative Learning Methods and Tasks........160
  Cooperative Learning Methods and the Concept of Teacher- Learner-Centeredness........161
  Cooperative Learning Methods and Positive Interdependence........161
  Cooperative Learning Methods and Individual Accountability........162
  Cooperative Learning Methods and Evaluation Systems........163
  Cooperative Learning Methods and Pattern of Interaction........164
  Cooperative Learning Methods and Feasibility of Application........166
Which Method of Cooperative Learning? ..........166
References........168

CHAPTER IV METHODOLOGY.........172-215
Experimental Design..........172
  Participants..........175
  Materials and Instrumentation..........178
    Instructional Materials..........178
  Tools of the Study..........181
    International English Language Testing System Test..........181
    Strategy Inventory for Language Learning Survey..........184
    Language Learning and Class Structure Questionnaire..........186
    Delayed Free-Recall Test..........190
Procedure..........191
  Breaking the Ice..........193
  Administering the Pretests..........193
  Team Formation in Experimental Groups..........195
  Conducting Orientation Workshop for Experimental Groups..........197
  Conducting the Experiments ..........200
Traditional Lecture Method .......... 200
Competitive Team-Based Learning .......... 203
Cooperative Team-Based Learning .......... 208
Administering the Posttests .......... 209
Scoring of the Groups’ Performances .......... 210
The Reading Test .......... 210
The Survey .......... 211
The questionnaire .......... 211
The Recall Test .......... 212
Data Analysis and Statistical Methods Applied .......... 214

References .......... 215

CHAPTER V RESULTS AND FINDINGS OF THE DATA ANALYSES .......... 216-288

Effectiveness of Select Teaching Methods on Target Groups’ Reading Comprehension in English .......... 218
Effectiveness of Select Teaching Methods on Target Groups’ Language Learning Strategies .......... 224
  Effectiveness of Select Teaching Methods on Target Groups’ Overall Language Strategies .......... 225
  Effectiveness of Select Teaching Methods on Target Groups’ Language Learning Strategies in relation to the Individual Categories of the SILL Survey .......... 229
    Effectiveness of Select Teaching Methods on Participants’ Memory Strategies (Category I, Items 1 to 9) .......... 230
    Effectiveness of Select Teaching Methods on Participants’ Cognitive Strategies (Category II, Items 10 to 23) .......... 233
    Effectiveness of Select Teaching Methods on Participants’ Compensation Strategies (Category III, Items 24 to 29) .......... 236
    Effectiveness of Select Teaching Methods on Participants’ Metacognitive Strategies (Category IV, Items 30 to 38) .......... 239
    Effectiveness of Select Teaching Methods on Participants’ Affective Strategies (Category V, Items 39 to 44) .......... 243
    Effectiveness of Select Teaching Methods on Participants’ Social Strategies (Category VI, Items 45 to 50) .......... 246
Effectiveness of Select Teaching Methods on Target Groups’ Attitudes towards English Language Learning and Select Teaching Methods .......... 250
  Effectiveness of Select Teaching Methods on Target Groups’ Overall Attitudes .......... 252
  Effectiveness of Select Teaching Methods on Target Groups’ Attitudes in relation to the Individual Categories of the Attitude Questionnaire .......... 256
    Effectiveness of Select Teaching Methods on Participants’ Attitudes towards English Language Learning (Block I, Items 1 to 4) .......... 256
    Effectiveness of Select Teaching Methods on Participants’ Attitudes towards Individualistic Class Structures (Block II, Item 5) .......... 259
    Effectiveness of Select Teaching Methods on Participants’ Attitudes towards CL (Block III, Items 6 to 18) .......... 263
Effectiveness of Select Teaching Methods on Participants’ Concerns about CL Settings (Block IV, Items 19 to 28) ........266
Effectiveness of Select Teaching Methods on Participants’ Attitudes towards Cooperative T-BL (Block V, Item 29) ........269
Effectiveness of Select Teaching Methods on Participants’ Attitudes towards Competitive T-BL (Block VI, Item 30) ..........273
Effectiveness of Select Teaching Methods on Target Groups’ Retention of Information.........276
Correlations among the Dependent Variables of the Study.........281
Summary of the Findings of the Study.........283
  Findings Related to the First Objective of the Study.........283
  Findings Related to the Second Objective of the Study.........284
  Findings Related to the Third Objective of the Study.........285
  Findings Related to the Fourth Objective of the Study.........287
  Findings Related to Correlations among Dependent Variables of the Study.........288
References.........288

CHAPTER VI SUMMATION, INTERPRETATION, AND RECOMMENDATIONS.........289-326
Findings of the Study.........291
  General Findings: Comparison of Select Three Teaching Methods.........291
  Interpretation of the General Findings.........295
  Specific Findings and Related Interpretations: Comparison of the Effectiveness of Cooperative T-BL and Competitive T-BL.........299
    Findings on Reading Performances of Target Groups.........299
    Findings on Language Learning Strategies of Target Groups.........300
    Findings on Attitudes of Target Groups.........302
    Findings on Retention of Information by Target Groups.........303
    Findings on Correlations among Dependent Variables of the Study.........307
  Summary of the Findings.........308
Recommendations.........311
  Educational Policy Makers.........312
  Resource Material Developers and Syllabus Designers.........315
  Methodologists.........316
  Teachers.........318
  Test Designers and Examiners.........320
Suggestions for Further Research.........321
References.........323

LIST OF TABLES
Table 1. Differences Between Pedagogy and Andragogy........84
Table 2. Educational Background of Participants in India and Iran.........176
Table 3. Means and Standard Deviations of the Groups in Pretest on Reading.........179
Table 4. Reliability Coefficients and Significance Levels of the IELTS Reading Test Administered........183
Table 5. Reliability Coefficients and Significance Levels of the SILL Survey Administered........185
Table 6. Correlations-Validity of the SILL Total Scores with the Subcategories........186
Table 7. Reliability Coefficients and Significance Levels of the Attitude Questionnaire Administered........189
Table 8. Correlations-Validity of the Attitude Total Scores with the Subcategories........190

APPENDICES........327-365

Appendix A Researcher’s Academic Profile in Relation to the Thesis........327
Appendix B Unit 1: Water ........330
Appendix C Unit 2: Technology........334
Appendix D  Unit 3: Health……337
Appendix E  Unit 4: Herbs……341
Appendix F  Unit 5: Safety……344
Appendix G  The Reading Section of International English Language Testing System (IELTS)……347
Appendix H  Strategy Inventory for Language learning (SILL) ……356
Appendix I  Language Learning and Class Structure Questionnaire……360
Appendix J  Request Letter for the Implementation of the Experimental Side of the Research……364
Appendix K  Students’ Opinions……366

SELECT BIBLIOGRAPHY ……367-381
