Acknowledgement

First and foremost I wish to pay my sincere homage to the ALMIGHTY without his blessing this task would not have been accomplished.

I am at a loss to find words to express my deepest gratitude to my intellectual and learned guide Dr. P. C. Vinodkumar, Professor, Department of Physics, and co-guide Dr. G. M. Dehri, Professor, Department of Mathematics, Sardar Patel University, Vallabh Vidhyanagar for his invaluable guidance, constructive suggestions and encouragement during the tenure of my work.

I wish to express sincere thanks to Dr. K. N. Joshipura, Professor & Head, Department of Physics, and Dr. Subhashbhai Bhatt, Professor & Head, Department of Mathematics, Sardar Patel University, Vallabh Vidhyanagar for providing the facilities for the research.

Sincere thanks are extended to all faculty members and other staff members of Mathematics Department, Sardar Patel University for their constant encouragement, help and guidance.

I am thankful to Dr. Rakesh Patel, Assistant Professor, Department of Mathematics, Gujarat Arts and Science College, Ahmedabad for countless discussions, number of constructive suggestions and his continuous encouragement during the work.

Sincere thanks are extended to all faculty members and other staff members of Physics Department, Sardar Patel University for providing all the possible help extended during Ph.D. work.

It is my immense pleasure to acknowledge my intimate colleges, Dr. H. C. Patel, Associate Professor, L. D. Engineering College, Ahmedabad for his selfless help.

I will always remain grateful to the Principal, Dr. K. A. Patel, Principal, Government Science College, Gandhinagar for being considerate in permitting me to continue my work. I extend my sincere thanks to Dr. M. A. Syed, Ex-Principal, Government Commerce College, Gandhinagar and Mrs. M. S. Baxi, Head,
Department of Physics, Government Science College, Gandhinagar for their constant support.

I am deeply indebted to my sister, brother and bhabhi for their love, kindness and support, and also tolerating my coming home late.

It is difficult for me to express my feelings for my dear granny and my beloved parents who shared my disappointments with patience and helped to rebuild my confidence at appropriate time. I never forget the love and encouragement extended by them. They have scarified most of their share of time for allowing me to complete this work. My whole family deserves special thanks.

I express my deep gratitude to Dr. M. N. Jivani, Associate Professor, Department of Electronics, Saurashtra University for his constant encouragement and teaching me C-programming which was very much helpful in my research work. Without him this task was impossible to accomplish. He is source of my inspiration.

My sincere thanks to Shri. C. T. Acharya for his selfless help. Each and every moment of life I got moral support from him.

Finally, I appreciate and always remain grateful to Mrs. Jayanti Ravi, IAS, Commissioner, Higher Education, Gandhinagar for being considerate in permitting me to continue my work.

Ms. Pragna Vadher
