Chapter 1

Wetland Ecosystems: Issues and Options 1-23
1.1 Introduction 1-2
1.2 Defining Wetlands 2
1.3 Understanding Importance of the Wetland Ecosystem 2-5
1.4 A Theoretical Review on Natural Resource, Environment and Economics 5-7
1.5 Problems of the Wetland 7-14
1.5.1 Economic Perspective 7-7
1.5.2 Property Rights and Institutional Arrangements 9-14
1.6 Fishery Management Regimes: Theoretical Issues 14-18
1.7 Study Area 18-19
1.8 Objectives of the Study 19-20
1.9 Methods of Data Collection 20-21
1.10 Limitations 21
1.11 Chapters Scheme 21-23

Chapter 2

Ecological and Socio-economic Features of Chilika Lagoon 24-45
2.1 Introduction 24-25
2.2 Geographical Features 25-26
2.2.1 Topography and Location of Chilika Lagoon 25-26
2.2.2 The Greater Chilika 26
2.3 History of Chilika Lagoon 26-27
2.4 Biophysical Characteristics of Chilika Lagoon 27-28
2.5 Morphology of the Lagoon 28-29
2.6 Biotic Features 29
2.7 Flora of the Lagoon 29-30
2.8 Fauna of the Lagoon 30-31
2.9 Abiotic Factors 32-34
2.9.1 Temperature 32-33
2.9.2 Potential of Hydrogen 33
2.9.3 Dissolved Oxygen 33-34
2.10 Bathymetry 34-35
2.11 Magarmukh and Palur Muhan (mouth) and Nalaban Sanctuary 35
2.12 Forests 36
2.13 Agricultural Land 36-37
2.14 Land Tenure in and around Chilika lagoon 37-39
2.15 Human Settlements and Fishing Practices 39
2.16 Salt Preparation: Vanished Livelihood-Occupational Option 40-41
2.17 Tourism Activities 41-44
2.18 Summary 44-45
### Chapter 3

**Study Area: Characteristics and Communities**

<table>

</table>
5.7 Tragedy of Enclosure: Problems Related to Prawn Culture 110-112
5.8 Prawn Culture and Degradation of Agricultural Land 112-113
5.9 Village Level Observation and Stakeholders’ Perception on Ecological Changes
   5.9.1 Village Level Observation on Ecological Problems 114
   5.9.2 Stakeholders’ Perceptions on Ecological Degradation 114-118
   5.9.3 Stakeholders’ Perception on Protection Measures 118-120
5.10 Understanding the Changes in Socio-economic and Ecological factors 120-121
5.11 Restoration of the Chilika Ecosystem 121-123
5.12 Summary 124-125

Chapter 6
Changes in Fishery Resources, Fishing Practices and its Implications on Livelihood of the Communities 126-159
6.1 Introduction 126
6.2 Understanding the Mode of Fishing by Various Fishing Communities 127-132
6.3 Fishery Resources across Zones 132-133
6.4 Fish Catch and Income in Peak Season 134-137
6.5 Community Borrowing and Village Indebtedness: An Evolved Credit Structure 138-139
6.6 Household Indebtedness 139-141
6.7 Expenditure Pattern across Zones 141-143
6.8 Understanding the Inter-locking of Market 143-146
6.9 Fish Marketing System 146-148
6.10 Income Determinant
   6.10.1 Model Specification 149
   6.10.2 Analysis of the Result 149-151
6.11 Respondents’ Perception on Declining Fish Catch 151-154
6.12 Changes in Fishing Practices and Conflicts: A Perceptual Analysis 154-156
6.13 Changes in Social Relations and Social Status 156-157
6.14 Summary 156-158

Chapter 7
Technical Efficiency of Fish Production in Chilika Lagoon 160-179
7.1 Introduction 160
7.2 Chilika Fishery 160-162
7.3 Measuring Technical Efficiency 162-165
7.4 Analysis of Technical Efficiency 166-167
   7.4.1 Model Specification 166
7.5 Estimates of Technical Efficiency 166-177
   7.5.1 Choice of Net and Technical Efficiency 170-172
   7.5.2 Choice of Boat and Technical Efficiency 172-173
   7.5.3 Distribution of Work-days in Fishing and Technical Efficiency 174
   7.5.4 Year of Experience in Fishing and Technical Efficiency 174-175
   7.5.5 Amount of Borrowing and Technical Efficiency 175
   7.5.6 Ecological Zones and Technical Efficiency 176-177
7.6 Summary 177-179

Chapter 8
Overview and Conclusion 180-113
8.1 Overview 180-182
8.2 Study Area: Chilika Lagoon 182-184
8.3 Understanding of Ecological Problems 184-191
6.2 Income from Last Peak Season Fishing (per HH) 136
6.3 Income per Active Fisher 136
6.4 Per capita Income 137
6.5 Village-Community Borrowings 138
6.6 Average Household Borrowing 141
6.7 Average Annual Expenditure per HH under Different Heads 142
6.8 Percentage of Expenditure on Different Heads 143
6.9 Inter-locking of Markets and Understanding of Chilika Mahajans: A Conceptual Framework 145
6.10 Prawn Culture, Encroachment and Conflict 156
7.1 Fish Production in Chilika Lagoon 162
7.2 Efficiency Level and Number of Fisherfolk 169
7.3 Technical Efficiency across Fisherfolk at different Output (in rupees) level

Tables
1.1 Wetland Values 3
1.2 Different Property Rights Regimes 10
2.1 Surface Water Quality Characteristics 32
2.2 Average Depth of the Chilika Lagoon 34
2.3 Tax-free Land Categories 38
2.4 Tourist Arrivals to Chilika 42
2.5 Tourism Earnings of OTDC at Chilika 43
3.1 Zone-wise Specific Characteristics 47
3.2 Sample Villages in Different Regions of Chilika Lagoon 49
3.3 Fishing Communities and Status 51-53
3.4 Community-wise Mode of Fishing 54
3.5 Traditional Fishing Grounds 54
3.6 Specific Socio-economic Characteristics of Zone I 57
3.7 Specific Socio-economic Characteristics of Zone II 58
3.8 Specific Socio-economic Characteristics of Zone III 59
3.9 Basic Amenities in the Villages 60
3.10 Population Characteristics of the Study Region 61
3.11 Zone-wise Agricultural Land Holdings 61
3.12 Types of House and Electricity Connection 62
3.13 Condition of Sanitary 62
3.14 Average Value of the House 62
3.15 Education Level across the Zones 62
3.16 Occupational Status across Zones 63
3.17 Average Workdays (man days) per HH 64
3.18 Average Income from Various Occupations 64
3.19 Average Number of Livestock per Household 66
3.20 Grazing Places 67
4.1 Understanding Institutional Changes in Different Regimes 75
4.2 Percent of HH Indicating Causes of Conflict 92
5.1 Seasonal and Regional Variation in Salinity Level 96
5.2 Area Covered by Different Weeds in 1996 99
5.3 Threatened Species of Avifauna 110
5.4 Encroachment of Chilika for Prawn Culture 112
5.5 Agricultural Land Holdings and Barren Land across Zones 113
8.5 Respondents’ Perception on the Impact of Siltation and Decline in Depth
8.6 Capture Fishery Sources in Chilika Lagoon

Maps
2.1 Map of Chilika Lagoon Showing Four Natural Sectors
2.2 Showing river system of Chilika lagoon
2.3 Showing the Depth of the Chilika lagoon
3.1 Selected Villages across the Zones
5.1 Increase in Weeds Infested area of Chilika Lagoon
5.2 Water Spread area of Chilika Lagoon
5.3 Satellite Imagery of Chilika Lagoon in 1989 and 2000

Annexure
Table & Map
