

## ACKNOWLEDGEMENTS

I have great pleasure in expressing my respect and a sense of gratitude to my guide Dr. B. Nataraju, Deputy Director, Silkworm Pathology Section, Central Sericultural Research and Training Institute, Mysore for his valuable guidance, suggestions and support to me throughout the research. His sound words of advice and his unassuming and high informed dealings was of immense help and will continue to give me inspiration for the future years to come. His scholarly insight has shaped the content of this effort.

I express my heartfelt thanks to Dr. S. B. Dandin, Director, Central Sericultural Research and Training Institute, Mysore for encouragement and providing me the opportunity and necessary research facilities to undertake the present work. I also express my sincere thanks to Chairman and the Chief Executive Officer, Central Silk Board, Bangalore for extending the facilities to undertake this work.

I extend my special thanks to Dr. M. Balavenkatasubbaiah, Dr. S. D. Sharma, Dr. P. Sudhakar Rao, Dr. T. Selvakumar, Mr. K. Chandrashekar, and Mr. Narashima Naik, Senior Research Officers, Silkworm Pathology Section, CSRTI, Mysore for their valuable suggestions and co-operation, informal dealings, constant support and help during the study. I express my heartfelt thanks to my colleagues Ms. T.S. Sowmyashree, Miss. M. Mamatha Miss. Ifat Bashir and Miss Ruchita, S. Selot., whose support has helped me a lot to complete the thesis work successfully.

I am very much thankful to the technical staff of the silkworm pathology laboratory, Mr. J. Justin Kumar, Mr. N. Nanjudaswamy, Mr. Ismail Khan, Mr. Ramesh, and Mr. Prabhusawamy for their help during my experimental rearing. I am also thankful to Sriyuths N. Ramaiah, Papanna, Nanjunda, S. Suresh, Manchothama, Smt. S.C. Radha and Thungamma, Silkworm Pathology Section of the institute for the help.

I express my thanks to Mr. A. K. Palit, Assistant Director, (Statistics), silkworm breeding laboratory for his extreme co-operation in statistical analysis. I thank Dr. Virender Kumar Deputy Director of Molecular biology Laboratory of the institute for his encouragement and help. I am highly thankful to Dr. A. M. Babu, Senior Research Officer, Electron microscope unit of the Institute for his timely help and encouragement during the study. I thank Mrs. Sandhya, Library information officer, Mr. Rajandra Sr. Librarian and all staff of library for extending library facilities.

I express my heartfelt thanks and gratitude to Dr. V. Thiagarajan, Dr. R. K. Rajan, Dr. R. G. Geetha Devi, Dr. B. K. Kariyappa, Dr. H. K. Basavaraj, and Mr. N.B. Vajayaprakash, Joint Directors, CSRTI, Mysore for their co-operation.

I have the pleasure in expressing my deep sense of respect and heart full thanks to Prof. Y. Srinivasa Reddy, Prof. G. Subramaya, Dr. D. Manjunatha, Dr. Bassavaiah, Reader of Sericulture, Department of Sericulture of the University of Mysore for their valuable help, encouragement and inspiration during the study. I also thank Mr. T. S. Jagadeesh Kumar Lecturer of sericulture Department of the University of Mysore, Mysore.

I remain highly thankful to Prof. H. U. Dar, Prof. Manzoor Ahmad Mailk, Prof. Malik Farooq, Prof. A.M. Sofi, Prof. A. R. Azad, Prof. M. F. Baqual, Mr. Zeualhak, Mr. Noorudin, of Sher-e-Kashmir University of Agriculture Science and technology (SKUAST-K) Division of Sericulture Mirgund, for their encouragement and inspiration.

I also thank the scientific and technical staff of Transmission Electron Microscopy unit at National Institute of Mental Health and Neuro Sciences (NIMHANS), Bangalore, India for extending the laboratory facilities during the study. I am highly thankful to all staff of Natural and essential oil Pvt. Ltd (NESSO) Mysore, India for providing library facilities.

I am highly thankful to Dr. N. Ibohal Singh I/C Joint Director and Mrs. L. Bidyapati Devi, SRO of Regional Tasar Research Station (RTRS) Imphal, Manipur

for providing eggs of Lamerin silkworm breed. I have the pleasure in expressing my deep sense of respect and heartfelt thanks to proficient person Mr. Ab. Khyoom Sahib, for his inspiration, encouragement, and suggestions to attain this stage. I thank Aabid, Asma, Firdose, Esha, Shahnawz Ahmad, Mohmmad Shafi and Debunirmalya Gangpadhyay for their support.

I would like to express my sense of gratitude to all my maternal and paternal family for their moral support, affection and guidance. I am extremely grateful to my respected parents Mr. Ali Mohammad Bhat and Ms. Khateja Begum who have shown me this world and made me to see and achieve all the treasure of this world without any deficiency in any regard.

Finally, I wish to express my gratitude to the Almighty GOD for His blessings due to which, I could successfully complete this whole work.
