ACKNOWLEDGEMENTS

To my esteemed teachei, Vi. Jalit R. Kidwai, Assistant Diiectoi, Biochemisty Division, Cential Diug Research Institute., Lucknow, I giatefatly ack.nowve.d aQ an immeasuiable debt fai his skill fai guidance, aesthetic suggestions and continued encouragement during the course of the present investigation. He painstakingly, initiated me into a new field with consumate skill and niniued in me the ability fai an oig-a-rised leseaich.

I am extremey thankful to Piofa M. Saleemuddin, Chairma, Department o^ Biochemisty, Aligaih Muslim Univeisity, Aligaih who as my teachei and supeivisoi, has always been happy to ie Nd fI any help that I lequiied.

I feel to convey my sinceie thanks to Vi. Anil K. Rastogi, Assistant Diiectoi, Cential Viug Research Institute, Lucknow, fai his unflinching coopieiation and faultful suggestions.

I am thankful to Piofa B.N. Vhawan, Diiectoi, Cential Viug Research Institute, Lucknow and Vi. Piem Sagai, Head, Biochemisty Division fai pioviding me the laboiatoiy facilities.

I also express my deep sense of gratitude to all my teacheis especially Piofa A.M. Siddiqui, Piofa S.M. Hadi and Vi. masood Ahmad who intioduced me to the fascinating field of Biochemisty.

I am giatefat to Vi. K.B. Mathui, Head, Biopolymeis Division, Cential Viug Research Institute fai pioviding the peptides fai assay puipose.
It is unvanished truth that tizatisz would havz ne.vo.fi materi­
alised in the. absence o& my fiends with whom I shaizd my joys and
sorrows. In naming them, I am likely to miss many ofa those, who contri­
buted in di^ziznt ways. Nevertheless, Vi. Paiwais, M/s Saiabhi,
Vinita and Ajay and Ms. Mzzna nzdz be mentionzd.

Thanks are also due to Vr. M.M. Khan, Vr. Ramzsh Chander and
A.K. Khanna ior theii help during the course. o^ this study.

J am veiy much thankful to Mi. K.L. Gupta faoi typing this
thesis.

Financial assistance o^ CSIR, Hew Vzlhi, India is also grate­
fully acknowledged.

My acknowle.dgement would remain incompletz without making special
mention &oi unstintzd suppotti. I rzczived &m my uncle Vr. Javed
A. Khan. Thz tizmzendous cooziation, lovz and a^zction which I rzcz­
ived &om my othzi family mzmbzis, is byzon my ability to givz thzm
woids.

A special mention is also duz to my dzai sistzi Fiidaus whosz
lovz, a^zction and zncouiaizments madz mz succezzd.
