ACKNOWLEDGEMENT

It is my privilege and pleasure to place on record and express my heartfelt gratitude to my guide Dr. S. KUMARESAN, M.Sc., Ph.D., Professor of Chemistry, Manonmaniam Sundaranar University, Abishekapatti, Tirunelveli for having suggested this topic and extended effective guidance and valuable suggestions at all levels of my research work.

My special and heartfelt thanks are due to Dr. Indra Jasmine, Associate Professor, Department of Fish Processing Technology, Fisheries College and Research Institute, Tuticorin for her consistent motivation, encouragement and also for providing institutional facilities.

I wish to thank the Head, Department of Chemistry, Manonmaniam Sundaranar University, Abishekapatti, Tirunelveli, other faculty members and non teaching staffs of the Department of Chemistry for extending their moral support throughout my research work.

I am grateful to the management of Pope’s College, Sawyerpuram, Tuticorin District where I have the privilege to serve. I would like to thank my colleagues and good friends of Pope’s College, Sawyerpuram for their encouragement.

I have great pleasure in recording my gratitude to Dr. P. Jayaraman, Director, Plant Anatomical Research Centre, West Thambaram, Chennai for his constant help and facilities towards pharmacognostic studies.
I address my sincere thanks to Dr. V. R. Mohan, Reader, P. G. Department of Botany, V. O. Chidambaram College, Tuticorin and Dr. S. Muthukumarasamy, Head, Department of Botany, A. K. G. S. Arts College, Srivaikuntam for their kind help and assistance in the pharmacognostic studies.

I thank Dr. R. Nepolean B.Sc.M.D., Microbiologist, Tirunelveli for his help and suggestions in doing the antimicrobial studies.

I profusely thank Dr. S. Ravikumar, Sr. Lecturer, Centre for Marine Science and Technology, Rajakkamangalam for his help in the anti inflammatory study data.

My sincere thanks are due to my co-workers, Mrs. P. G. Seethalakshmi, Head, Department of Chemistry, A.P.C. Mahalaxmi college, Tuticorin, Mr. P. Srirenganathan, Head, Department of Chemistry, Sivanthi Athithanar college, Nagercoil, Mrs. P. Ramadevi, Mr. R. Ramasubramanian and Miss. M. Indirani Research Scholars, Department of Chemistry, Manonmaniam Sundaranar University for their constant support throughout my stay in this department.

I deeply acknowledge the SPIC Science Foundation, Tuticorin for providing the GC/MS data.

I am grateful to the University Grants Commission New Delhi for their financial support in the form of Teacher Fellowship.

I thank all the members of my family for their help to complete this program with perfection.
I am grateful to all friends and relatives whose names are not mentioned but treasured, for their timely help, prayers and moral support during the course of my research work.

Overall, I praise and thank THE ALMIGHTY for enabling me to complete this research work according to HIS gracious will.

'He has made everything beautiful in its time.' Eccl.3-11
