Papers presented in Seminars/Symposia

1. Sequential cum conformational aspect of Asn-X-Ser/Thr, the consensus glycosylating sequence - A database analysis
   T. Hema Thanka Christlet, K. Veluraja and M. Biswas
   XXVIII National Seminar on Crystallography, School of Pure and Applied Physics, Mahatma Gandhi University, Kottayam, Sep. 24-26, 1997

2. A database analysis on O-linked glycosylation
   T. Hema Thanka Christlet and K. Veluraja
   XXIX National Seminar on Crystallography, Department of Crystallography & Biophysics, University of Madras, Chennai, Dec. 21-23, 1998

3. A database analysis of glycosylation sites in proteins
   T. Hema Thanka Christlet and K. Veluraja

4. An analysis of the Complex Carbohydrate Structure Database
   T. Hema Thanka Christlet, M. Biswas and K. Veluraja
   XIV Carbohydrate Conference Department of Chemistry, Indian Institute of Technology Madras, Chennai, Dec. 16-17, 1999
5. Interaction between hydrophobic plane of axial hydrogens in sugars and amino acids in proteins: A database analysis

T. Hema Thanka Christlet and K. Veluraja

National Seminar on Recent Trends in Crystallography, Biophysics and Computational Biology, Department of Crystallography & Biophysics, University of Madras, Chennai, Apr. 24-26, 2000
