ACKNOWLEDGEMENT

I owe tremendous debt of gratitude to my research supervisor and guide Dr. K. Veluraja, Reader, Department of Physics, Manonmaniam Sundaranar University, Tirunelveli, for his valuable guidance, meticulous supervision, constructive comments and constant encouragement throughout the period of my research work. The incessant guidance and thought provoking advices rendered by him at every stage of the work was invaluable.

My genuine thanks are due to Prof. G. Shanmugam, Head, Department of Physics, Manonmaniam Sundaranar University, Tirunelveli for his constant interest and encouraging support throughout the period of my research work.

I gratefully acknowledge the encouragement given by Prof. N. Arunachalam, Dr. D. Pathinettam Padiyan, Dr. K. Ganesan, Dr. T.R. Rajasekharan and Dr. S. Rajasekar during the course of my study.

My sincere and heartfelt thanks are due to Dr. Margaret Biswas, European Bioinformatics Institute, Hinxton, UK for many fruitful discussions and timely helps throughout this venture. I extend my hearty thanks to Prof. S. Ramakumar, Chairman, Bioinformatics Centre, Indian Institute of Science, Bangalore and Prof. S. Krishnaswamy and Dr. Z.A. Rafi, Bioinformatics Centre, Madurai Kamaraj University, Madurai.
I express my heartfelt thanks to my colleagues, Mr. S. Arul Mugilan and Mr. M. Xavier Suresh for their support, timely helps, kind cooperation and deep involvement in every stage of the development of the thesis. It is a pleasure to thank all my fellow research scholars and dearest friends for their valuable helps, encouragement and kind cooperation.

I am specially grateful to Dr. J. Alasiar and Prof. M. Sivasankaran Nair for their keen interest, advice and constant encouragement. I thankfully remember the concern shown by Ms. Vijayalakshmi, Bioinformatics Centre, Indian Institute of Science. I thankfully remember Miss. Anitha Thomas, Indian Institute of Science, Bangalore and Miss. M. Subha Nandhini, Madurai Kamaraj University, Madurai for the valuable helps rendered by them while my visit to the respective Institutes. My thanks are also due to Mr. B. William George, New Delhi for his many helps.

I will be failing in duty if I forget to thank my beloved teachers during my school and college studies. I thank Prof. G. Jose Robin, Prof. S.D.D. Roy and Prof. J. Thampi Thanka Kumaran, who motivated me into the field of research.

I especially thank with love my uncle Rev. R. Sahayadhas for his constant interest in my research activities, who has been a source of inspiration to me. The concern and encouragement of my brother-in-law, Mr. D. Aruldhas is graciously acknowledged. I gladly remember the enquiries
of Prabin and Sherjin about my research work. I thank all my relatives and friends who were a source of boost and boon to me all through this research work.

The financial assistance received from the University Grants Commission, Government of India is gratefully acknowledged. The use of facilities available at Bioinformatics Centre, Indian Institute of Science, Bangalore and Bioinformatics Centre, Madurai Kamaraj University, Madurai is acknowledged.

Above all, I ascribe all praises to the ALMIGHTY whose blessings have come throughout my life.

T. HEMA THAN KA CHRISTLET
