ACKNOWLEDGEMENT

The expressivity of works loses significance when search for an appealing sentence of gratitude and obligation, since acknowledgement is the only part of thesis which lacks guidance.

I take this privilege and pleasure to acknowledge the contributions of many individuals who have been inspirational and supportive throughout my work undertaken and endowed in with the most precious knowledge to see success in my endeavor. My work bears the imprint of all those people, I am grateful to.

I consider it a great honour to be the student of my beloved and respected teacher Dr. S.M. Kamble Associate professor, Research guide Vice Principal P.G. Department of zoology, S.M.D.M. College Kallam, District Osmanabad (M.S) India. It is with deep gratitude that I express my sincere thanks to him. I most humbly acknowledge for his constant encouragement, unabated inspiration and invaluable suggestions and guidance since beginning of this work. His vision and perception of the uncommon will always continue to strive me towards perfection.

I am grateful to express my immense sense of thanks and gratitude to Dr. A.D. Mohekar principal S.M.D.M. College Kallam for providing necessary facilities and encouragement to carry out this work.

I take this opportunity to express my deep sense of gratitude to Dr. Milind. S. Hujare former Associate professor of zoology, S.M. Dr. Bapuji Salunkhe College Miraj for providing necessary laboratory facilities and constant encouragement to carry out the work.

I am highly obliged to Dr. Suhas Khambe (Analytical laboratory) microbiologist and his staff members for timely help to carry out the work.
I am thankful to Dr. Sukumar J. Magdum Educational foundation at Nimshirgaon District Kolhapur for providing all the facilities during the progress of this work.

And driving force behind all this work are my parents, sister Mrs. Yogita and jiju and their kids, Rohan and Ronit, my brother Yogesh his wife Mrs. Shashikiran and their kids Yash and Anuj my wife Mrs. Rupali and loving son Rajat for their love support and encouragement that made me to come to this stage. My thanks are due to my beloved parents father Dr. R.M. Ohol and mother Mrs. Kusum. R.Ohol whose moral support has been always unshared and showered upon me to all walks of my life and granting me with the excessive than needful at all stages of my lacking in confidence and feel of inefficiency, their drive and mere presence lead me strongly. Lastly but not the least I feel it is my duty to express my deep sense of gratitude to my father Dr. R.M. Ohol. Retired Reader in zoology for his valuable co-operation with out which it would have been impossible to complete this work.
