ACKNOWLEDGEMENTS

It is my privilege to have had the opportunity to work with Dr. N.S. Venkataraman, Professor and Head, Department of Aeronautical Engineering, Anna University. I wish to express my sincere gratitude to him for his invaluable guidance and interest in bringing this work to a fruitful conclusion.

I recall with gratitude the help and understanding extended to me by my colleagues and workshop staff of my parent department.

The financial assistance given by the authorities of the Anna University, Madras, towards the preparation of the thesis is gratefully acknowledged.

P. BASKARAN
