

LIST OF FIGURES

FIGURE NO.	TITLE	PAGE NO.
2.1	Index map of study area	26
5.4	List of fields in Physico-chemical parameters	84
5.5	List of fields in Plankton Distribution	85
5.6	List of fields in Coral Distribution	86
5.7	List of fields in Benthos Distribution	87
6.1	pH recorded during the Summer season (1999 and 2000)	94
6.2	pH recorded during the Premonsoon season (1999 and 2000)	94
6.3	pH recorded during the Monsoon season (1999 and 2000)	94
6.4	pH recorded during the Postmonsoon season (1999 and 2000)	94
6.5	Temperature recorded during the Summer season (1999 and 2000)	95
6.6	Temperature recorded during the Premonsoon season (1999 and 2000)	95
6.7	Temperature recorded during the Monsoon season (1999 and 2000)	95
6.8	Temperature recorded during the Postmonsoon season (1999 and 2000)	95
6.9	Dissolved Oxygen recorded during the Summer season (1999 and 2000)	96

FIGURE NO.	TITLE	PAGE NO.
6.10	Dissolved Oxygen recorded during the Premonsoon season (1999 and 2000)	96
6.11	Dissolved Oxygen recorded during the Monsoon season (1999 and 2000)	96
6.12	Dissolved Oxygen recorded during the Postmonsoon season (1999 and 2000)	96
6.13	Salinity recorded during the Summer season (1999 and 2000)	97
6.14	Salinity recorded during the Premonsoon season (1999 and 2000)	97
6.15	Salinity recorded during the Monsoon season (1999 and 2000)	97
6.16	Salinity recorded during the Postmonsoon season (1999 and 2000)	97
6.17	Nitrate recorded during the Summer season (1999 and 2000)	98
6.18	Nitrate recorded during the Premonsoon season (1999 and 2000)	98
6.19	Nitrate recorded during the Monsoon season (1999 and 2000)	98
6.20	Nitrate recorded during the Postmonsoon season (1999 and 2000)	98
6.21	Nitrite recorded during the Summer season during (1999 and 2000)	99
6.22	Nitrite recorded during the Premonsoon season (1999 and 2000)	99
6.23	Nitrate recorded during the Monsoon season (1999 and 2000)	99

FIGURE NO.	TITLE	PAGE NO.
6.24	Nitrate recorded during the Postmonsoon season (1999 and 2000)	99
6.25	Total phosphate recorded during the Summer season (1999 and 2000)	100
6.26	Total phosphate recorded during the Premonsoon season (1999 and 2000)	100
6.27	Total phosphate recorded during the Monsoon season (1999 and 2000)	100
6.28	Total phosphate recorded during Postmonsoon the season (1999 and 2000)	100
6.29	Inorganic phosphate recorded during the Summer season (1999 and 2000)	101
6.30	Inorganic phosphate recorded during the Premonsoon season (1999 and 2000)	101
6.31	Inorganic phosphate recorded during the Monsoon season (1999 and 2000)	101
6.32	Inorganic phosphate recorded during the Postmonsoon season (1999 and 2000)	101
6.33	Coral distribution in Shingle island	103
6.34	Seagrass distribution in Shingle island	103
6.35	Mangrove distribution in Shingle island	103
6.36	Coral distribution in Krusadai island	104
6.37	Seagrass distribution in Krusadai island	104
6.38	Mangrove distribution in Krusadai island	104
6.39	Coral distribution in Pullivasal and Poomarichan islands	105

FIGURE NO.	TITLE	PAGE NO.
6.40	Seagrass distribution in Pullivasal and Poomarichan islands	105
6.41	Mangrove distribution in Pullivasal and Poomarichan islands	105
6.42	Coral distribution in Manoli and Manoliputti islands	106
6.43	Seagrass distribution in Manoli and Manoliputti islands	106
6.44	Mangrove distribution in Manoli and Manoliputti islands	106
6.45	Coral distribution in Musal island	107
6.46	Seagrass distribution in Musal island	107
6.47	Mangrove distribution in Musal island	107
6.48	Coral distribution in Mulli island	108
6.49	Seagrass distribution in Mulli island	108
6.50	Mangrove distribution in Mulli island	108
6.51	Coral distribution in Vallai and Talayari islands	109
6.52	Seagrass distribution in Vallai and Talayari islands	109
6.53	Mangrove distribution in Vallai and Talayari islands	109
6.54	Coral distribution in Appa island	110
6.55	Seagrass distribution in Appa island	110
6.56	Mangrove distribution in Appa island	110
6.57	Coral distribution in Vallimunai and Poovarasampatti islands	111
6.58	Seagrass distribution in Vallimunai and Poovarasampatti islands	111

FIGURE NO.	TITLE	PAGE NO.
6.59	Mangrove distribution in Vallimunai and Poovarasampatti islands	111
6.60	Coral distribution in Anaipar island	112
6.61	Seagrass distribution in Anaipar island	112
6.62	Mangrove distribution in Anaipar island	112
6.63	Coral distribution in Nallathanni island	113
6.64	Seagrass distribution in Nallathanni island	113
6.65	Mangrove distribution in Nallathanni island	113
6.66	Coral distribution in Pullivinichalli island	114
6.67	Seagrass distribution in Pullivinichalli island	114
6.68	Mangrove distribution in Pullivinichalli island	114
6.69	Coral distribution in Upputhanni island	115
6.70	Seagrass distribution in Upputhanni island	115
6.71	Mangrove distribution in Upputhanni island	115
6.72	Coral distribution in Karaichalli island	116
6.73	Seagrass distribution in Karaichalli island	116
6.74	Mangrove distribution in Karaichalli island	116
6.75	Coral distribution in Vilanguchalli island	117
6.76	Seagrass distribution in Vilanguchalli island	117
6.77	Coral distribution in Kasuwar island	118
6.78	Seagrass distribution in Kasuwar island	118
6.79	Mangrove distribution in Kasuwar island	118
6.80	Coral distribution in Van island	119
6.81	Seagrass distribution in Van island	119
6.82	Mangrove distribution in Van island	119
6.83	Quantitative distribution of Phytoplankton	149

FIGURE NO.	TITLE	PAGE NO.
6.84	Quantitative distribution of Zooplankton	149
6.85	Quantitative distribution of Protozoa	150
6.86	Quantitative distribution of Porifera	150
6.87	Quantitative distribution of Coelenterata	151
6.88	Quantitative distribution of Annelida	151
6.89	Quantitative distribution of Plathyhelminthes	152
6.90	Quantitative distribution of Nematodes	152
6.91	Quantitative distribution of Arthropoda	153
6.92	Quantitative distribution of Mollusca	153
6.93	Quantitative distribution of Echinodermata	154
6.94	Quantitative distribution of Benthos	154
