

<b>LIST OF GRAPHS</b>		
<b>SR. NO.</b>	<b>TITLE</b>	<b>PAGE NO.</b>
1.	Graph. No. 1. Comparison of Mean values of all parameters in Group I (Acarbose) from baseline to 6 months follow up.	116
2.	Graph. No. 2. Comparison of Mean values of all parameters in Group II (Miglitol) from baseline to 6 months follow up	118
3.	Graph. No. 3. Comparison of Mean values of all parameters in Group III (Acarbose + <i>Salacia Oblonga</i> ) from baseline to 6 months follow up	119
4.	Graph. No. 4. Comparison of Mean values of all parameters in Group IV (Acarbose + <i>Salacia Reticulata</i> ) from baseline to 6 months follow up	121
5.	Graph. No. 5. Comparison of Mean values of all parameters in Group V (Miglitol + <i>Salacia Oblonga</i> ) from baseline to 6 months follow up	122
6.	Graph. No. 6. Comparison of Mean values of all parameters in Group VI (Miglitol + <i>Salacia Reticulata</i> ) from baseline to 6 months follow up	124
7.	Graph. No. 7. Comparison of Mean values of all parameters in Group VII ( <i>Salacia Oblonga</i> ) from baseline to 6 months follow up	125
8.	Graph. No. 8. Comparison of Mean values of all parameters in Group VIII ( <i>Salacia Reticulata</i> ) from baseline to 6 months follow up	127
9.	Graph. No. 9. Comparison of Mean values of Weight from baseline to 6 months follow up in all groups under study	129
10.	Graph. No. 10. Comparison of Mean values of Fasting BSL from baseline to 6 months follow up in all groups under study	130
11.	Graph. No. 11. Comparison of Mean values of Post BSL from baseline to 6 months follow up in all groups under study	132
12.	Graph. No. 12. Comparison of Mean values of HbA1c from baseline to 6 months follow up in all groups under study	133
