ACKNOWLEDGEMENT

I feel it a pleasant duty to record my deep sense of gratitude to Dr. M. Z. Chishti, Professor, Post-graduate Department of Zoology, University of Kashmir, Srinagar, under whose scholarly guidance, constructive criticism and keen interest, the entire work was carried out. I am also highly obliged to him for allowing me the use of his valuable personal collection of literature.

I am highly indebted to Dr. A. R. Khan, Professor and Head of the Post-graduate Department of Zoology, University of Kashmir, for providing me adequate laboratory and library facilities in the department for the research work.

My sincere thanks are due to Dr. Dildar Ahmad, Professor, and Dr. A. R. Yousuf, Dr. G. M. Shah and Dr. R.C. Bhagat, Readers, Post-graduate Department of Zoology, University of Kashmir, for their valuable suggestions and constant encouragement.

I gratefully acknowledge the priceless assistance provided to me by co-researchers, Mrs. Shafquat, Miss Tanveer, Miss Zahida, Miss Sayedah, Miss Farhat, Mr. Fayaz Ahmad and Mr. Mohammad Shafi, of the Post-graduate Department of Zoology, University of Kashmir.
For his unstinted help in photography, I am grateful to Dr. Khursheed Ahmad Sohaf of SKUAST.

I extend my thanks to the colleagues of Zoology Department, Islamia College of Science and Commerce, Srinagar, especially to Dr. S. N. Koul, the former Head of the Department and Prof. A. M. Sofi, the present Head of the Department, for their unfailing encouragement during the course of study.

I offer my heartfelt thanks to Mr. N.A. Kaul, Chief Librarian, Islamia College of Science & Commerce, Srinagar for keeping some relevant books at my disposal.

I am also thankful to the Principal, I.C.S.C. for sparing me for the research work at P.G. Department of Zoology, University of Kashmir, under the Teacher Fellowship Scheme of the University Grants Commission.

Assistance provided by the U.G.C. New Delhi, in the form of Teacher Fellowship is highly acknowledged.

I am particularly indebted to my brother Mr. Mohammed Ismail for his inspiration towards research and also for helping to build up my career. Thanks are also due to my brothers Mr. Khursheed Ahmad and Mr. Mohammed Rafiq for their help and co-operation.
Deepest gratitude and sincere appreciation go to my wife Mrs. Mymoona for her encouragement, patience and tolerance during the entire tenure of research work leading to the present endeavour. I also affectionately acknowledge the cooperation and help rendered in their little way by my kids, Riju and Saju.

I take this opportunity to pay rich tribute to my late father-in-law who had been anxiously looking forward to the completion of this work but unfortunately passed away while the pages of this thesis were in the process of typing.

A special note of thanks is due to Mr. Bashir Ahmad Gami for taking all care and pains in typing out the manuscript.

Lastly, I shall be failing in my duties if I do not acknowledge to all my friends and relatives.

ABDUL AZIZ MIR

Srinagar,
