ACKNOWLEDGEMENTS

It gives me immense pleasure to express my deep sense of gratitude to Dr. Dildar Ahmad, Reader, Post-Graduate Department of Zoology for his learned counsel, valuable guidance and constructive criticism throughout the course of present investigations as well as preparation of the manuscript. His sympathy and generosity has been much beyond his formal obligation as my guide for which I am gratefully indebted to him.

My sincere thanks are due to Professor D.N. Fotedar formerly Head, Post-graduate Department of Zoology, University of Kashmir for providing me necessary laboratory facilities. Thanks are also due to Professor M.K. Raina, the present Head of the Department.

I am thankful to the Head Library Services, I.A.R.I, New Delhi for providing me the library facilities.

Thanks are due to Dr. N.C. Pant, Director, Commonwealth Institute of Entomology, London for helping me in the identification of some insect species.

For their customary zeal and willingness to pitch in the cite checking, drawing and photography my sincere expression of gratitude goes to Mr. Yograj Vaishnavi,
Mr. Mohd. Rafiq Bhat, Mr. Rahul Koul, Mr. Naseem-ul-Gani, Mr. Musaid Iqbal and Mr. Sanjay Dhar - my colleagues in the Department.

No less has been the help and invaluable suggestions I received during the course of data compilation, statistical analysis and preparation of the manuscript from Dr. Virender Kaul.

I am indebted to Mr. Mohd. Ameen Lone for his generous help whenever needed.

The scholarship awarded to me by the University of Kashmir during the tenure of my study is duly acknowledged.

Lastly but not of the least importance, this work is due to my parents whose unfailing love and encouragement during the course of study has always been an inspiration to me.
