

ACKNOWLEDGEMENT

I am immensely thankful to **Dr. K.Rengaraj**, Professor, for his guidance, constant motivation and support throughout my research programme. I am equally thankful to **Dr. B.Sivasankar**, Assistant Professor, for his helpful suggestions, enlightening discussions and encouragement in the course of this study.

I wish to thank the Doctoral committee members, **Dr.V.T.Ramakrishnan**, Professor, University of Madras and **Dr. R.P.Vishwanath**, Professor, IIT, Chennai, for their valuable suggestions.

I wish to thank **Dr. C.N.Pillai**, Emeritus Scientist (Retd.) for his contributive ideas and encouragement. I am grateful to **Dr. D.V. Ramana**, Emeritus Professor for the interpretation of NMR and mass spectra.

I sincerely thank the academic faculty **Dr. V. Murugesan**, Professor and Head, **Dr. V.Sadasivam**, **Dr.L.J.Fransisca Mary** and **Dr. K.Subramanian** for their kind help.

I express my gratitude to **Dr. R.Palaniappan**, Joint GM, R & D, SPIC, Tuticorin for providing GC-MS and XRD analytical data.

I am thankful to **Dr. T.Sivakumar**, **Dr. S.Vijayakumar**, **Mr. G.Devasagayam**, **Mr. S. Sulthan Allaudeen**, **Mr. K. Ravichandran**, **Mr. D. Thirumali** and **Miss. S.Mekala** for their timely help.

I wish to appreciate the efforts of **Miss. G.R. Rajarajeswari** and **Mrs. L. Selva Roselin** for cheering me in all my endeavours.
