Acknowledgment

I would like to take this opportunity to thank all those people who have been instrumental in the completion of my research work and the writing of this thesis.

First and foremost, I would like to express my gratitude towards my supervisor Prof. J.P.N. Pandeya and co-supervisor Dr. A.S. Mishra, who have been inspirational and outright supportive throughout my work. Before supervisors, they've been milestones, paving my way, whenever I was lost, and in need of guidance.

I would like to thank former honorable Vice-Chancellor Prof. N.S. Gajbhiye and acting Vice-Chancellor Prof. R.S Kasana and Head of the Department, Prof. P. K. Khare, for providing all the necessary facilities and unconditional support.

My journey through this work would have been a rough, tiring drill had it not been the love and care of Prof. Pratibha Pandeya and Mrs. Indu Mishra, who always extended a gentle caring hand that made me feel homely and comfortable whenever I visited them.

My research would have been incomplete and so would be this acknowledgment, without all the teachers of the Department of Botany, who have been generous in giving their valuable advices, sharing their experiences and guiding my way like a torch in the tunnel.

Sincere and heartfelt thanks to Dean of Biological Science, Prof. P. Mehta, Prof. U.S. Bagde, Dr. Predeep Tiwari, Dr. A. J. Bishwas, Dr. Poonam Dehariya and Dr. Rajesh Lachoria, whose wise inputs, timely advice, encouragement and always-eager-to-help attitude gave me the impetus to work harder towards my goal.

Research encompasses a lot of procedure and formalities, and it would have been impossible to complete that without the selfless help of the non-teaching staff of the Department of Botany, especially Shri Sharad Kant Soni, Mr. P. S. Gujre, Mr. Ajmer Jainth, who provided their services and many times, out of the way help in the completion of my work.

It was a pleasure to work alongside fellow researchers and lab mates Dr. Anand Rajoria, Dr. Supriya Gupta, Dr. Rajesh Paladiya, Dr. Nidhi Pateria, Dr. Priti Verma, Mr. Dinesh Patel, Mr. Manish Dubey, Mr. Sanjay Dubey, Mr. Prakash Kushwaha, Mr. Babulal Chadar, and Mis. Neha Namdev who have been lovely co-passengers throughout the journey. Their cooperation, moral support, valuable inputs, teasing remarks and appreciative pats made the entire experience more than just research. This journey has been a memorable one, and together, we weaved a companionship that is forever to cherish.

Chaude Ahirwar and Mrs. Rati Devi Ahirwar, who pushed me when I held back, backed me when I was in trouble, encouraged me when I was doubtful, and spurred me towards my goal, sometimes like a strict taskmaster, sometimes like a caring friend, and sometimes as a guide. I cannot bring myself to ignore the contribution of my two lovely nieces, Rinku and Deepak, whose innocent faces, lively voices and sweet gestures always make me forget the hardships I am going through. I am lucky to have a family like that.
