Sr. No. Chapter -1 Introduction 1 -73
1.0 Introduction ............................................................................. 1
1.1 Rationale of the study .............................................................. 2
1.2 Need for the study ................................................................. 4
1.3 Significance of the study ........................................................ 5

Section I: ORS & Banks

1.4 Indian Banking System - An Overview ................................. 7
1.5 ORS in Banking sector ............................................................ 9
  1.5.1 ORS and HRD-Climate ................................................... 12
  1.5.2 Interplay of environmental changes and stress ............... 12
  1.5.3 Causative factors of ORS in banking sector ................. 13
  1.5.4 The advent of technological changes .......................... 13
  1.5.5 Banks on fast track of operation ............................ 13

Section II: Organizational Role Stress

1.6 Historical Perspective of Stress ............................................. 13
  1.6.1 Stress a "time immemorial" concept ............................. 14
  1.6.2 Stress as understood in 18th and 19th Centuries .......... 14
  1.6.3 Contemporary approach - stress facet explorations .... 17
1.7 Forms of Workplace Stress .................................................. 17
  1.7.1 Job stress ..................................................................... 17
  1.7.2 Occupational stress ..................................................... 18
  1.7.3 Organizational role stress(ORS) ............................... 19
  1.7.4 Eustress and Distress ................................................... 19
1.8 Conceptualization of organizational role ............................. 21
  1.8.1 Role integrates individual needs and organizational goals... 21

1.21 The Concept of Burnout .......................................... 42
  1.21.1 The Concept of Burnout .................................... 43

1.22 Dimensions of Executive Role Stress ............................. 45

1.23 Ten Dimensions of Role Stress-Pareek, U. ....................... 45

Section III: HRD Climate

1.24 HRD- Climate ..................................................... 48
1.25 Organization Climate - Metaphor ................................ 50
1.26 Organizational Climate and Culture ............................. 52
1.27 Organizational Climate and ORS ................................ 54
1.28 Organizational Culture ............................................ 56
1.29 Climate and Culture Overlap ..................................... 59
1.30 OCTAPACE - Values ........................................ 60
  1.30.1 Openness .................................................. 60
  1.30.2 Confrontation ............................................. 61
  1.30.3 Trust ........................................................... 62
  1.30.4 Authenticity .................................................. 62
  1.30.5 Proaction ...................................................... 63
  1.30.6 Autonomy ...................................................... 63
  1.30.7 Collaboration ................................................. 64
  1.30.8 Experimenting ............................................... 64

1.31 HRD Climate and Organisational Climate ...................... 65
1.32 HRD Instruments, Processes and Outcomes ...................... 67
1.33 Elements of "HRD Climate Survey" ........................... 68
  1.33.1 Important Notes ............................................. 69
1.34 Enabling Factors for HRD Climate ............................ 70
1.35 Chapter Key Notes: Highlights and Conclusions .............. 70

Chapter -2 Literature Review ........................................ 74-180

2.0 Introduction (ORS and HRD-Climate) ................................ 74

Section I: ORS - Review of Literature

2.1 Organizational Role and Organizational Climate ............... 76
2.2 Role: Perceptions .................................................. 77
  2.2.1 Stress, Stressor and Strain: Conceptualization ............ 79
2.3 Role Stress: Nature, Antecedents, Correlates, & Consequences 82
  2.3.1 Sources and Dimensions of Organizational Role Stress ...... 95
  2.3.2 Occupational Stress (Job stress/Work stress) ............. 97
  2.3.3 Models of occupational stress (job stress/work stress) ...... 105
  2.3.4 Burnout: A Research Review ................................ 109
2.4 Organizational Role Stress Dimensions: Uday Pareek .......... 116
  2.4.1 Role Ambiguity (RA) .......................................... 116
    2.4.1.1 Consequences of Role Ambiguity ....................... 119

  2.4.8 Inter-Role Distance (IRD) .................................. 125
  2.4.9 Self-Role Distance (SRD) .................................. 125
  2.4.10 Resource inadequacy (RIn) ................................ 126
2.5 Role Stress & Performance linkage: A research perspective... 126
2.6 Key National and International Studies on Role Stresses: An Exploration ........................................ 127
Chapter-3 Research Methodology

3.0 Introduction ......................................................... 181
3.1 Research Questions/ Problem Definition .......................... 182
3.2 Originality/Value of the study ........................................ 183
3.3 Purpose/Aims of the study ............................................ 183
3.4 Research Design ...................................................... 184
3.5 Scope of the Study .................................................... 185
3.6 Research objectives of the study ..................................... 186
3.7 Type of Research ..................................................... 187
  3.7.1 Descriptive research ............................................. 187
  3.7.2 Explanatory research ............................................. 187
    3.7.2.1 Exploratory or Formulative study ....................... 188
  3.7.3 The present empirical research is explorative & descriptive 189
3.8 Theoretical Framework (Research Model) ........................ 189
3.9 Hypothesis .................................................................. 190
3.10 Data Base .................................................................. 194
  3.10.1 Data Collection Period ......................................... 195
  3.10.2 Primary Sources of Data Collection .......................... 195
  3.10.3 Secondary Sources of Data Collection ........................ 195
3.11 Population/Universe of the Study .................................. 195
  3.11.1 Public Sector Banks (PSB) ...................................... 196
    3.11.1.1 State Bank of India (SBI) & its seven subsidiaries .. 196
    3.11.1.2 Nationalized Banks ........................................ 196
  3.11.2 Private Banks in NCR- Delhi .................................. 198
3.12 Sample Design ....................................................... 199
  3.12.1 Sources of data .................................................. 200
  3.12.2 Sample Size ...................................................... 200
    3.12.2.1 Sample Selection Methodology .......................... 201
3.13 Profile of selected banks................................. 202
3.13.1 State Bank of India ................................. 203
3.13.2 Canara Bank ........................................... 205
3.13.3 ING Vysya Bank Limited ..................... 206
3.13.4 ICICI Bank .............................................. 207
3.14 Research Instruments ................................. 209
3.15 ORS Instrument: "ORS-Scale" - Prof. Udai Pareek .... 210
3.15.1 ORS- Scale (10-dimensions & 50-items) ........... 211
3.15.2 ORS- Scale Questionnaire ......................... 211
3.15.3 ORS Scale - Answer sheet ........................... 211
3.15.4 ORS - Scoring Key ................................... 212
3.16 Reliability analysis of the ORS-Scale used .......... 213
3.17 "HRD-Climate Survey" - T.V.Rao & E. Abraham ..... 214
3.18 Reliability analysis of the HRD-Climate Survey used 215
3.19 The Pilot Study .......................................... 216
3.20 Overview of Statistical Instruments used for measures 217

Chapter 4 Data Analysis and Interpretations 221-308

4.0 Introduction ................................................. 221

Section I: Demographic Profile

4.1 Demographic Characteristics .......................... 223
4.1.1 Socio-Economic characteristics of the sampled executives ... 223
4.1.2 Distribution of respondents by gender ...................... 224
4.1.3 Distribution of respondents by marital status ............... 225
4.1.4 Distribution of married respondents by working status of spouse ................................................. 226
4.1.5 Distribution of respondents by family type (Joint/Nuclear) ... 227
4.1.6 Distribution of respondents by age .......................... 228
4.1.7 Distribution of respondents by salary ....................... 229
4.1.8 Distribution of respondents by education .................... 230
4.1.9 Distribution of respondents by extent of work experience ... 231
4.1.10 Distribution of respondents by number of promotions ...... 231
4.1.11 Distribution of respondents by number of appreciation ...... 233
4.1.12 Distribution of respondents by the number of rewards .... 233
4.1.13 Distribution of respondents by number of increments ...... 234
4.1.14 Distribution of respondents by additional duty charges ...... 235
4.1.15 Summary of demographic & socio-economic characteristics 235

Section II: ORS Profile of Executives

4.2 ORS-Profile of Bank Executives- Evaluations ............ 237
4.2.1 The Route Map: for the study of ORS in bank executives... 238
4.2.2 Statistical Note - on data inferences ....................... 238
4.2.3 ORS-Profile of State Bank of India (SBI) Executives .... 240
4.2.4 ORS-Profile of SBI: 3-Levels of Executives ............... 241
4.2.5 ORS-Profile of Canara Bank Executives.......................... 242
4.2.6 ORS-Profile of: 3-Levels of Executives in Canara Bank..... 243
4.2.7 ORS-Profile of ICICI Bank Executives ........................... 244
4.2.8 ORS-Profile of ICICI Bank: 3-Levels of Executives............. 245
4.2.9 ORS-Profile of ING Vysya Bank Ltd Bank Executives..... 247
4.2.10 ORS-Profile of ING Vysya Bank Ltd:3-LevelsofExecutives 248
4.2.11 Emerging ORS-Profile of "Public Sector Banks Executives 249
4.2.12 Distribution of "Total ORS" in "Public Sector Banks Executives. 251
4.2.13 ORS-Profile of 3-Levels Executives in Public Sector Banks 253
4.2.14 Emerging ORS-Profile of "Private Sector Banks Executives" 254
4.2.15 Distribution of Total-ORS in Pvt. Sector Banks Executives.. 256
4.2.16 ORS profile of: 3-levels Executives in Private Sector Banks 258
4.2.17 ORS among Combined (Public + Private) Bank Executives.. 259
   (n=592). ........................................................................... 262
4.2.18 Distribution of "Total ORS" among Combined (Pub+Pvt.) bank executives. (n = 592).............................................. 263
4.2.19 ORS profile of: 3-levels of Bank Executives in (Pub+Pvt.) 265
4.2.20 Status of Stressors in Public Sector Bank Executives.n=296 266
4.2.21 Status of Stressors in Private Sector Bank Executives.n=296 268
4.2.22 Comparative Levels of Stress among Public& Private Bank Executives........................................................... 269
4.2.23 z-Test Results and Hypotheses Testing for ORS among Public vs. Private Bank Executives........................................... 270

Section III: HRD-Climate Profile of Pub. and Pvt. Bank Executives

4.3 Introduction ............................................................................. 280
4.4 HRD Climate Characteristics in Public and Private Banks...... 282
4.4.1 General HRD-Climate in Public vs. Private Banks ............ 283
4.4.2 OCTAPAC-Culture in Public vs. Private Banks ............... 286
4.4.3 HRD-Mechanisms (HRDM) - (Implementation of HRD Sub-Systems) in Public vs. Private Banks.......................... 287
4.4.4 HRD-Climate in Public vs. Private Banks - Category-wise analysis............................................................................ 291
4.4.5 Overall HRD-Climate (HRDCL) in Banks (Pub. + Pvt.) with its 3-HRD Category Strengths........................................... 293
4.4.6 Composite HRD-Climate in Banks (Public + Private)....... 294
4.4.7 z-Test Results and Hypotheses Testing for HRD-Climate among Public vs. Private Bank Executives........................... 295

Section IV: Executive Role Stress and HRD Climate Interplay

4.5 Executive ORS and HRD Climate interplay......................... 300
4.5.1 Pearson Product Moment Correlation (PPMC)................. 302
4.5.2 The Strength and significance of the coefficient (r)........... 303
4.6 Inter-correlation between ORS Dimensions, strength and linearity……………………………………………………… 302
4.7 Correlation Matrix between Role Stress and HRD-Climate in Public Banks Executives ………………………… 304
4.8 Correlation Matrix between Role Stress and HRD-Climate in Private Banks Executives ……………………………… 306

Chapter-5 Findings, Conclusions & suggestions 309-323
5.0 Introduction…………………………………………………………… 309
5.1 Summary………………………………………………………………… 310
5.2 Research Findings……………………………………………………… 312
  5.2.1 Research findings on demographic & socio-economic characteristics……………………………………………… 312
  5.2.2 Main Research Findings……………………………………………… 314
5.3 Conclusions ……………………………………………………………… 321
5.4 Suggestions & Recommendations 322

Chapter-6 Contributions, Limitations, and Further Research Scope 324-328
6.0 Introduction…………………………………………………………… 324
6.1 Contributions of the research to Nation…………………………… 324
6.2 Contributions of the research to knowledge……………………… 325
6.3 Contributions of the research to Society 325
6.4 Limitations of the Study……………………………………………… 326
6.5 Further Research Scope……………………………………………… 327

A) References………………………………………………… 329-365
B) Bibliography…………………………………………………… 366-370
C) Annexure………………………………………………………… xviii-xxvii
