ACKNOWLEDGEMENTS

I would like to place on record my deep sense of gratitude to each and every person that has been of direct and indirect help in completing my research. My special thanks are due to...

----- My research supervisor Dr. G. Radhakrishna for his great support, patience, perseverance and guidance throughout my work.

----- Professor Deva Sangeetham, Principal, S.V.U. College of Humanities, Prof. M. Govindaswamy Naidu, Head, Department of Linguistics and Foreign Languages and Professor D.C. Reddy, Chairman BOS in Linguistics for their valuable suggestions and for being extremely cooperative.

----- Professor M. Narendra without whom I wouldn't have come to pursue my research at Sri Venkateswara University.

------ Dr. Hari Padma Rani for whom I can not find suitable words to express my gratitude. However, let me admit that I have come to accept her as my guide, philosopher, true friend, and a source of inspiration. But for her moral, logistical and scholarly support I wouldn't have been able to complete my work. Each and every member of her family has rendered me support in innumerable ways. How can I not remember Sri Peddi Samba Siva Rao who has been so caring and concerned about my welfare and work? Ram Mohan and his mother have greatly contributed by providing support.

------ Dr. Hikmat, Dr. Ajouz, Dr. Andy Knodler, Dr. Bryant Hester, Mr. Bager and Ms. Nancy Bager who have been a great support in completing this work.
all my former teachers, particularly Professor S. Marathe & Professor S. Viswanadhan of Department of English, University of Hyderabad and Professor K. Raju & Professor K. Venkata Reddy & Professor C. R. Visweswara Rao of Sri Krishnadevaraya University for their continued support and good wishes.

the students and teachers of King Faisal University, AlDammam, Teachers' College, Dammam, Al Hasa, Saudi Aramco Training Centers, Dhahran, KFUPM who have helped me in conducting research.

my friends Ram Mohan, Ravi, Komala, Ramesh whose quest for knowledge and unstinted support at all times has enabled me to complete this work.
