

LIST OF TABLES

Table No.	Title of the Table	Page No.
1.1	Particulars of Cotton Textile Mills in India during 1854-57	5
1.2	Progress of Cotton Textile Mills in India during 1951-2005	7
1.3	Sector-wise Distribution of Cotton Textile Mills in India during 1996-2005	8
1.4	Classification of Spinning Mills in India during 1996-2005	10
1.5	Categorization of Composite Mills in India during 1996-2005	11
1.6	State and Union Territory-wise Spinning and Composite Mills in India as on 30-4-2006	14
1.7	Growth of Installed capacity in Cotton Textile Mills in India during 1651-2005	15
1.8	Distribution of Spindles Into Public, Private and Co-operative Sectors in India during 1991-2005.	16
1.9	Segregation of Looms, under public, private and cooperative sectors in India during 1991-2005	17
1.10	State and Union Territory-wise Spread of Spindles and Looms in India as on 30-4-2006	18
1.11	Capacity Utilization in Textile Mills, in India during 1981-2005	19
1.12	Production of Spun Yam by Textile Mills in India During (1951-2005)	20
1.13	State and Union Territory-wise Production of Cotton Yam in India during 1980-2005	22

1.14	State and Union Territory-wise Production of Blended Yarn in India during 1980-2005.	23
1.15	State and Union Territory-wise Production of 100% Non-Cotton yarn in India during 1980-2005	25
1.16	Production of Cloth in Mill and Decentralized Sectors in India during 1951-2005	26
1.17	Sector wise Production of Cloth in India during 1981-2005	28
1.18	Fiber-wise Production of Cloth by Textile Mills in India during 1981-2005.	29
1.19	Targets and Achievements of Cotton Textile Industry in India in recent Plans.	30
1.20	Per capital availability of Cotton Cloth in India during 1996-2005	31
1.21	Shares of India in the Global Export of Textiles and clothes during 1990-2004	32
1.22	Details of Cotton Production in Apduring 1971-2005	35
1.23	Details of Cotton Textile Industry in A.P. during 1980-2006.	35
1.24	Details of Spinning Mills in A.P. under Factor Sector during 1999-2003	39
1.25	District-wise Distribution of Cotton Textile Mills in A.P. as on 30-4-2006	37
2.1	Sector-wise use of paper in India	46
2.2	Paper Production in India during 1911-1950	56
2.3	Mill-wise Production of Paper in India during 1881-1939	57
2.4	Growth of Paper Mills, Installed Capacity and Production during 1951-2005	58

2.5	Production of Paper and Paper-Boards in India during 1988-2005	60
2.6	Targets and Achievements of Paper Industry under Five Year Plans	60
2.7	Per Capita Consumption of Paper in India during 1970-2005	63
2.8	Per Capita Consumption of Paper across the World	64
2.9	Per Capita Demand for News Print in the World during 1975-2003	65
2.10	India versus World Paper Industry during 2005	66
2.11	State-wise Number of Paper Mills in India as on 30-4-2002	67
2.12	Particulars of Paper Mills in A.P. under Factor Sector during 1999-2003	70
2.13	District-wise Classification of Paper Mills in A.P. as on 30-4-2006	71
2.14	Future Growth of various kinds of paper in India.	79
4.1	Details of working and idle Tally marks	130
5.1	Structure of Private Sector Cotton Textile Mill	159
5.2	Time taken in Private Sector Cotton Textile Spinning, Mill for Production of 100 kgs of Yarn	164
5.3	Total Time available per Month in each Department of Private Sector Mill	165
5.4	Profit Contribution Per 100 kgs of Yarn in Private Sector Cotton Textile Mill	166
5.5	Structure of Public Sector Cotton Textile Spinning Mill	167

5.6	Processing Time Required to Produce 100 kgs of Yarn in Public Sector Cotton Textile Spinning Mill	169
5.7	Total Time Available per Month in each Department of Public Sector Cotton Textile Spinning Mill	170
5.8	Profit Contribution per 100 kgs of Yarn in Public Sector Cotton Textile Spinning Mill	171
5.9	Structure of Private Sector Paper Mill	172
5.10	Time Taken to Produce one Tonne of Paper in Private Sector Paper Mill	178
5.11	Total Time Available in each Department of Private Sector Paper Mill	179
5.12	Profit Contribution per Tonne of paper in Private Sector Paper Mill	179
5.13	Structure of Joint sector paper mill	181
5.14	Profession time required to produce one tonne of paper in Joint Sector Paper Mill	182
5.15	Total Time Available in each Department of Joint Sector Paper Mill	182
5.16	Profit Contribution per tonne of Paper in Joint Sector Paper Mill	183
5.17	Comparison of Profit Contribution per 100 kgs of Yarn between Private and Public Sector Cotton Textile Spinning Mills	184
5.18	Comparison of Profit Contribution per Tonne of Paper between Privates and Joint Sector Paper Mills	185
6.1	Utilization factor in Private Sector Cotton Textile Spinning Mills	187

6.2	Utilization Factor in Public Sector Cotton Textile Spinning Mill	188
6.3	Utilization factor in Private-Sector Paper Mill	189
6.4	Utilization Factor in Joint Sector Paper Mill	190
6.5	Interaction (1) of Primal Problem of Private Sector Cotton Textile Spinning Mill	194
6.6	Interaction (9) for Primal Problem of Private Sector Cotton Textile Spinning Mill	195
6.7	Primal Linear Programming Output Summary for Private Sector Cotton Textile Spinning Mill	196
6.8	Results, of Sensitivity Analysis of Optimal Solution for Private Sector of Private Sector Cotton Textile Spinning Mill	197
6.9	Interaction (1) for Dual of Private Sector Cotton Textile Spinning Mill.	200
6.10	Interaction (9) for Dual Problem of Private Sector Cotton Textile Spinning Mill	201
6.11	Dual Linear Programming Cotton Textile Summary for Private Sector Cotton Textile Spinning Mill.	202
6.12	Interaction (1) for Primal Problem of Public Sector Cotton Textile Spinning Mill	205
6.13	Interaction (3) for Primal Problem of Public Sector Cotton Textile spinning Mill.	206
6.14	Primal Linear Programming Output Summary: for Public Sector Cotton Textile Spinning Mill.	207
6.15	Results of Sensitivity Analysis of Optimal Solution for Public Sector Cotton Textile Spinning Mill.	208

6.16	Interaction (1) for Dual Problem of Public Sector Cotton Textile Spinning Mill.	211
6.17	Interaction (13) for Dual Problem of Public Sector Cotton Textile Spinning Mill.	212
6.18	Dual Linear Programming output Summary for Private Sector Paper Mills.	213
6.19	Comparative Analysis of Private and Public Sector Cotton Textile Spinning Mills.	214
6.20	Interaction (1) for Primal Problem of Private Sector Paper Mill	217
6.21	Interaction (4) of Primal Problem of Private Sector Paper Mill.	218
6.22	Primal Linear Programming Output Summary for Private Sector Paper Mill.	219
6.23	Results of Sensitivity Analysis of Optimal Solution for Private Sector Paper Mill.	220
6.24	Interaction (1) for Dual Problem of Private Sector Paper Mill.	222
6.25	Interaction (4) for Dual Problem of Private Sector Paper Mill.	223
6.26	Dual Linear Programming Output Summary for Private Sector Paper Mill.	224
6.27	Interaction (1) for Primal Problem of Joint Sector Paper Mill.	226
6.28	Interaction (4) for Primal Problem of Joint Sector Paper Mill.	227
6.29	Primal Linear Programming Output Summary for Joint Sector Paper Mill.	228

6.30	Results of Sensitivity Analysis of Optional Solution for Joint Sector Paper Mill.	229
6.31	Interaction (1) for Dual Problem of Joint sector paper mill.	231
6.32	Interaction (4) for Dual problem of joint sector paper mill.	232
6.33	Dual Linear Programming Output Summary for Joint Sector Paper Mill.	233
6.34	Comparative Picture of Private and Joint Sector Paper Mills.	234
