ACKNOWLEDGEMENTS

It gives me great pleasure to express my deep sense of gratitude to my revered teacher and research supervisor Prof. P. Jayarama Reddy, Vice-chancellor, Sri Venkateswara University, Tirupati, for his able guidance, constant encouragement, constructive criticism, and keen interest throughout the course of the present studies. The help and advice rendered by him are responsible for the successful completion of the present work.

I avail this opportunity to record my gratitude to Dr. B. Srinivasulu Naidu, Reader, Department of Physics, S.V. University, Tirupati, for his critical analysis, valuable comments, and encouragement throughout the course of this work.

I am grateful to Dr. S. Uthanna, Dr. P. Sreedhara Reddy, Dr. O. Md. Hussain and Dr. K. T. Ramakrishna Reddy for their fruitful discussions and useful suggestions.

I express my sincere thanks to Prof. R. Gopalakrishnan, Head of the Department of Physics and former heads Prof. Y. Prabhakara Reddy, Prof. J. Lakshmana Rao and Prof. B. Jagannadha Reddy, for their help.
My thanks are due to Dr.G.Raghupathy Chetty, Dr.Y.Satyanarayana Murty and Mrs.Dr.K.Sujatha for their suggestions.

The cheerful company of my colleagues Miss.Dr.Y.Aparna, Sri.V.K.Sabhapathy, Sri.K.Prasada Rao and Sri.M.Sesha Reddy is ever cherishable.

I am very much grateful to Dr.K.V.Reddy, Head, Instrumentation Centre, University of Hyderabad for extending the X-ray diffractometer facility and Prof.A.K.Pal I.A.C.S., Jadavpur, Calcutta for extending characterization facilities. Thanks are due to Mr.V.Krishna Reddy and other staff of the Instrumentation workshop, for their technical help.

I am highly indebted to my sister and brother-in-law for their co-operation and affectionate encouragement which made this work possible and I also extend my gratitude to my aunt, for her affectionate encouragement throughout my work.

I am thankful to my friends Mrs.V.Sudhasri, Miss. T.B.Nagalakshmi, Mrs. B.Bharathi Devi, Miss.R.P.Vijayalakshmi, and R.Venugopal for their constant encouragement at every stage of the work.

Finally, I am grateful to the Council of Scientific and Industrial Research, New Delhi for providing financial assistance and also to the authorities of Sri Venkateswara University for providing research facilities.
