ACKNOWLEDGEMENTS

I am fortunate to receive the guidance of Prof. P.T.Nayudu, Department of Geology, S.V.University, Tirupati, who has been great source of inspiration and support. I owe a deep debt of gratitude to him which I cannot express in words.

I wish to acknowledge my deep sense of gratitude to my research supervisor Dr. B.Kotaiah, Reader in Civil Engineering, Faculty of Engineering, S.V.University, Tirupati for his constant help and encouragement, care, attention and guidance in bringing this thesis to a successful completion.

I am grateful to Dr. T.V.Krishna Reddy, Lecturer in Geology, Department of Civil Engineering for his valuable suggestions whenever necessary.

I would like to thank Prof. M.S.Murthy, Chairman, Board of Studies, Department of Geology and Prof. G.V.S. Rama Rao, Head, Department of Geology, S.V.University, Tirupati for providing facilities and all the encouragement in the successful completion of this work.

I express my sense of gratitude to Dr (Mrs) S.A.T. Adilakshmi, Director, Women's Development Studies, Sri Padmavathi Mahila Viswavidyalayam, Tirupati for all the moral support and encouragement given to me, Sri. K. Venkata Narayana Raju, Co-ordinator, Andhra Pradesh Open University for his timely help.
I am highly grateful to Dr. S. Saiprasad, Department of Geology and V. Subramanyam for all their help especially in cartography.

I am highly thankful to Messers. N. Janardhan Raju, B. Gopalu, and N. R. V. Ramana Reddy for all their help in field as well as Laboratory.

I will be failing in my duty if I do not acknowledge the constant encouragement given to me by my family members. Their help in all respects throughout the progress of this memorable work cannot be ignored.

Equally in no small measure, I express my indebtedness to Sri Siva Nair M.D., & Mrs. Girija Karthykeyan Principal Triveni Academy, Changelpattu Dist. Tamil Nadu for all their moral support, encouragement and leave extended to me to enable me to complete this onerous task.

It is very difficult to remember and acknowledge each individual by name who has helped me at various stages of my work, yet it is my responsibility to thank all of them.
Last but not the least, my special thanks and all appreciations are mainly due to Sri. J. Krishna Murthy and G. Hari Hara Reddy, Kiran Electronic Job Typing Centre, who are responsible in bringing up my thesis in such a neat manner through computer technique.
