VITAE

Ms. G. R. PURVAJA was born on 23rd November 1967 at Cuddalore, Tamil Nadu, India. She graduated in Zoology from Stella Maris College, Madras and obtained her Master's degree in Marine Biology and Oceanography at the Centre of Advanced Study in Marine Biology, Annamalai University, India.

She registered for the Ph.D. program in October 1990 and carried out her research work under the guidance of Dr. R. Ramesh to conduct research on "Interactions between greenhouse gas, nutrients, major and trace elements in mangrove ecosystems of South India".

Ms. Purvaja was awarded a three months fellowship by the Netherlands Government for advanced training in Ecotoxicology at The Netherlands from August through November 1991. Subsequently she was awarded the Senior Research Fellowship by the Council of Scientific and Industrial Research from July 1992 and holds it as on date.

She has published four research papers in International Journals and eight papers in Proceedings of Symposia/Seminars. Some of these papers constitute a part of the Ph.D. research work.
