ACKNOWLEDGEMENTS

It is with the help from several individuals and institutions that I received, I have been able to complete this thesis. It is my duty as well as pleasure to acknowledge the generous help I received from all those who helped me directly or indirectly in course of my research work, and to express my gratitude to all of them.

I sincerely express my deep sense of gratitude to my Teacher as well as Research Supervisor Prof. D. Himachal, Professor, Department of Commerce, Sri Venkateswara University, Tirupati, who has guided me in pursuing my research work with scholarly advise and meticulous care. This word would not have to come fruition had it been for his encouragement, his friendly advice and affection at every stage of my work. He also gave me the much needed moral support and impetus to pursue and complete this work. I thank him whole-heartedly.

I acknowledge my gratitude to the Ministry of Power, Government of India, New Delhi and Ministry of Energy, Government of Andhra Pradesh, the then APSEB and present APGENCO and APTRANSCO, for their help extended to me to carry out the present research work. I am highly indebted to them for having given me all annual reports and required data for my work. I express my sincere thanks to all the officers of power sector concerned Officials of Electricity Department and Officials of APGENCO and APTRANSCO. With out their active help it would not have been completed their help has enabled me to prepare this report on the problem of investigation. It was my good fortune to receive spontaneous help from all most all persons, from the officials down to the personnel on the lowest rungs of various departments actively engaged in the affairs of power sector. Special thanks are due to the respondent Thermal Stations Officials.

I express my sense of gratitude and thanks to Prof. B. Mohan, Dean and Faculty of Commerce, Sri Venkateswara University for his help and encouragement. I am highly thankful to the Special Officer Prof. B.Dasaradharami Reddy, of the S.V.University P.G. Centre, Kavali. I am also thankful all the Faculty Members Prof. B. Dasaradharami Reddy, Professor of Commerce, Dr. P.R. Siva Sankar, Dr.M. Chandraiah, Dr. P. Venkata Rao, Associate Professors in the Department of Commerce.
I thank all the office staff at the centre, at the Department and Librarian of the P.G Centre, and of the Main Library of the University at Tirupati for the great help they extended during my research work.

I express my sincere thanks to Dr. M. Bala Raju, Principal (FAC), Government Degree College, Naidupet, Mr. M. Dasaradhaiah, Principal (FAC), Government Degree College, Sullurpet, Mr. N. Seshaiyah, Principal (Retd.), Government Degree College, Naidupet, Mr. P. Parandhama Reddy, Lecturer in Political Science, Dr. P. Subba Rao, (Retd.) Reader in Telugu, Mr. N. Krishna Rao, (Retd.)
