ACKNOWLEDGEMENTS

I express my sincere gratitude to my supervisor Dr. E. A. Jayson, Scientist-F & Research Co-ordinator for his guidance, constant encouragement and timely inputs to my thesis.

I express my sincere thanks to Dr. K.V. Sankaran (former Director) and Dr. P.S. Easa (former Director), KFRI, for their keen interest and constant encouragement. I am indebted to my RAC members - Dr. T. K. Dhamodaran (Nodal Officer, FRI University), Dr. K. K. Ramachandran (Retd.), Dr. P. Vijayakumaran Nair (Retd.) and Dr. M. Sivaram for the suggestions and corrections.

I also express sincere thanks to Dr. K. A. Mercey, Dr. Sunandha, Mr. Unnikrishnan of Kerala Veterinary and Animal Science University, Mannuthy, Kerala for their valuable comments and help in analysing the data and interpreting the results.

My thanks are also to Dr. C.O. Joshi, Christ College, Irinjalakuda, Dr. P. R. Vargheese (Retd.), St. Aloysius College, Thrissur, Dr. T. J. Roby and Dr. Joyce Jose, St. Thomas College, Thrissur, Dr. Raju Thomas K., Marthoma College, Thiruvalla, Dr. S. Babu, SACON, Dr. M. A. Sreenivasan, Dr. Latha Mohanan, Dr. V. F. Paul, Mr. Tomy Francis, Mr. Jain J. Therattil and to the scientists of KFRI - Dr. T. Surendran (Retd.), Mr. A. R. Rajan (Retd.), Dr. C. K. Soman, Dr. K. F. George, Dr. Mammen Chundamannil, Dr. V. B. Sreekumar, Dr. R. Jayaraj and Dr. S. Sandeep for their continuous support during the period of study.

I am indebted to Dr. S. Sankar (Retd.), Sociology Department and Dr. T. V. Sajeev, Entomology Department, KFRI and for their kind support and suggestions during the course of work.

Many thanks are also to my juniors Greeshma and Riju for sharing wonderful moments and encouragements.
I record my deep gratitude to my colleagues Lakshmi, Dr. Jijeesh, Mr. Suresh, Kripa, Mr. Kuruvila Thomas IFS, Saumya, Sreejesh, Prasanth, Lathika, Kavitha and Revathy for their constant support.

Here I need to thank my friends Dandes, Lijesh, Ranjith, Emmanuel, Alex, Suganathan, Ambili, Blessy, Vidhya, Thara, Rugmini, Gnanakumar, Sandeep, Prathibha, Ragi, Rejitha, Shiyara, Aswathy, Sujatha, Vidhya (Biotechnology), Anoja, Ramya and Sijimol for their support and encouragement throughout the study.

Thanks are also to my friends in Mahatma Gandhi University, Calicut University and Kerala University for sharing references whenever required.

The librarian and staffs of KFRI and CES Library (IISc, Bangalore) for providing necessary facilities during the period of reference collection.

My sincere thanks are also due to the drivers, Mr. Madhavan, Mr. Mathan, Mr. Mathai, Mr. Rajendran and Mr. Vasan for their involvement in the survey.

I sincerely acknowledge the KFRI for funding the project, Kerala Forest Department for giving the details of ex-gratia, the marginal farmers and the press reporters for giving the information on human-wildlife conflict.

I express my thanks to the motor-bike (KL-8 AQ, 7773) allotted in research project, for carrying me safe for 3 years.

No words to thank my family members for allowing me to do the research work without giving much family problems on me. I thank my mother, father, brothers and sisters for always being with me.

Suresh K. Govind
