ACKNOWLEDGEMENTS

The credit for the accomplishment of this investigation goes to the scholarly guidance, constructive criticism, constant helpful gratitude to my guide Dr. S. L. Korekar, Associate Professor, Head and Research Guide in Botany, Department of Botany, Yeshwantrao Chavan College, Tuljapur, District Osmanabad (M.S.) for suggesting the problem, keen interest, constant encouragement, supply of valuable literature and valuable guidance throughout the period of my entire research work.

I feel greatful to Prof. P. B. Papdiwal, Retired Professor, Department of Botany, Babasaheb Ambedkar Marathwada University, Aurangabad and his family for the cooperation they have extended during the completion of this work.

I heartedly thank my friend Dr. P. B. Jadhavar, Department of Botany, Smt. S. K. Gandhi Arts, Amolak Science and P. H. Gandhi Commerce College, Kada, Tal. Ashti, District Beed, for all the help during the course of my work and his immense patience in carefully going through the manuscript and suggest relevant modifications.

It is my humble duty to expess my sincere thanks to Honorable, Amarsinh (Bapu) Deshmukh, Chairman, Atpadi Education Society, Atpadi, who always encouraged me for the completion of research work.

I would like to express my sincere thanks to Principal Dr. S. M. Karande of Shrimant Babasaheb Deshmukh Mahavidyalaya, Atpadi, District Sangli for providing necessary facilities to carry out this work successfully. I feel my duty to express my thanks to Prof. P. E. Jadhav (Head, Department of Botany) and Prof. P. M. Hasabe, Dr. V. V. Londhe, Prof. V. D. Surve, Dr. A. T. Kolekar, and teaching and Non-teaching staff of Shrimant Babasaheb Deshmukh Mahavidyalaya, Atpadi, District Sangli and all my colleagues for their valuable help, encouragement and constant support for the fulfillment of this research work.

Principal, Dr. J. S. Mohite, Yeshwantrao Chavan College, Tuljapur, District Osmanabad and Prof. M. G. Babare, Head, Department of Fishery Science, A. S. C. College, Naldurg, District Osmanabad for their valuable support. I have profited from their persistent advice, and constructive and simulative comments.
I have the pleasure to express a deep sense of gratitude to confessing that my research work would have never been accomplished, if it had not been graced by the genuine interest and continuous inspirations of my beloved father, Shri Natha Ananda Lohar and my wife Shubhada.

I have the pleasure to express my thanks to Shri Ashok Pandurang Surve, Deputy Engineer, Irrigation Department (Warnali) and R. L. Koli, Irrigation Department (Warnali), Sangli for helpful support and providing the meteorological record.

Finally, I copiously thanks to one and all that directly and indirectly helped me during this work.

Place: Tuljapur

Date: / / 2014

Mr. Lohar Dhananjay Natha
(Research Student)
