ACKNOWLEDGEMENT

This time is of great pleasure and honor for me as I extol my learned and revered supervisor Dr. S.Latha, Professor, Department of Mathematics, Yuvaraja’s College, University of Mysore, Mysore, under whose supervision and able guidance, I had the privilege to carry out my research work. I am deeply indebted to her for her kindness and impeccable efforts, acumen and sustained patience in making this arduous task perspicuous. I think none of my decades can possibly match her expert supervision and infallible guidance.

I am also grateful to all the faculties of Department of Studies in Mathematics, University of Mysore, Mysore and Yuvaraja’s College, University of Mysore, Mysore, for providing me the requisite facilities for conducting research.

I am sincerely thankful to Dr. Y.N. Sridhar, Professor Emeritus, Department of Studies in Education, University of Mysore for his timely advice in every step of my research.

My special thanks to one and all who have supported directly or indirectly during the period of research.
