ACKNOWLEDGEMENT

I like to express my deepest sense of gratitude to Dr. S. G. Deobhankar, Reader, Post-graduate Department of Business Studies, Sardar Patel University, whose thought provoking, able and continuous stimulating guidance and constructive criticism at all the stages of work have greatly benefited me in this work.

I am grateful to Professor (DR.) V. G. Patel, Head, Post-graduate Department of Business Studies, Sardar Patel University, for the keen and continuous interest shown by him in my work.

This study would not have been completed without the co-operation of various institutions and individuals, particularly I am very much thankful to the Chairmen, Managers and the officials of all the selected Sugar Industrial Units in Thailand, who all have directly or indirectly assisted me by furnishing requisite data and information on time.

This research involved extensive and intensive reference work, which has been carried over by visiting libraries. In this contest, I express my thanks to the Librarians of The National of Library, and The Library of Siam University, Bangkok, Thailand.

During my research work, I got the high motivation provided by Dr. Puchong, Dr. Kranchana Vatayu and Dr. Janya In-ong, to whom I am much indebted.

Besides, I received timely assistance from my father and mother. I am thankful to all of them.

Bangkok, Thailand (Mr. Wonchai Prasertsri)
