Happiness is the real sense of fulfillment that comes from hard work. It is said that sincerity and hard work breed success and these are precisely the qualities which I have found in my guide as a source of constant inspiration. I greatly indebted to my research guide, respected, Dr. (Mrs.) S. V. Nikam, Professor, Department of Zoology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for her inspiring guidance, stimulating discussions and constant encouragement throughout the present investigation, which enabled me to complete this work.

I am grateful to Prof. Y. K. Khiilare, Professor and Head, Department of Zoology, Dr. B. A. M. University, Aurangabad for generously providing all necessary facilities. I express my sincere thanks to Late Prof. B. V. Jadhav, Ex. Head, Dept. of Zoology, Dr. B. A. M. U., Aurangabad for his valuable suggestions, encouragement and whole hearted co-operation.

I am very thankful to Dr. R. J. Chavan, Associate professor, Dept. of Zoology, Dr. B. A. M. U., Aurangabad as he helped me for the identification of beetles at species level, because it is very difficult task which is totally impossible for me.

I also owe my gratefulness to all my teachers, Department of Zoology, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their time to time guidance and valuable suggestions and encouragement to execute this work.

I must record my profound gratitude to Dr. Nagnath V. Kolhe, Principal of BhanudashRao Chavan College, Partur Dist. Jalna and Shri Dinkarrao D. Chavan Chairman of Late Bhaurao Patil Dolharkar Pratishthan and Mr. Sanjay Dinkarrao Chavan for their moral support and constructive co-operation.

Success is not a goal of only your hard work. It is a combination of all goodness, consistency and moral support and prays of your good wishers. My heartfelt thanks are due to my parents, Mr. Sadashiv Ramrao kpanse and mother Mrs. Parvati Sadashiv kpanse and My grandparents Late Mr. Ramrao Kisanrao Kanse and Late Mrs. Kondabai Ramrao Kanse. Whatever I am and whatever I will be in future is because of their enormous blessings, commitments to my
ambitions and selfless sacrifices. This Ph. D. thesis is a result of the extraordinary will, efforts and sacrifices of my parents. My successes are dedicated to them now and always.

There is some power in blessings. In every success there is someone who blessed for you, someone who not only bless you but also take care of your emotions, your frustration, your good willing and so much. I found all of things in my all family members especially in my uncle Mr. Bhujang Ramrao Kanse, Mr. Limbaji Ramrao Kanse and Dattatray Ramrao Kanse for their great support and constant encouragement.

I express my thanks to whole of my family who always feels proud of me. Most importantly, the deepest thanks from the bottom of my heart should be dedicated to my younger brothers Bharat, Shatrughana and Nakul and my elder brothers Lakshaman, Sudhakar, Pravin, Sushil, Eknath and Ashok. My cousins Atul Humbe, Kishor Kharat and Hanumant Mule for their great support and constant encouragement.

I enjoyed a little chunk of my time here with some truly special kids Ashu, Kirti, Manvi, Nikhil, Krishna, Harshu, Shreeram, Shivraj, Vard, Rudra, Vishwajit and Shaurya from whom I learnt knowingly or unknowingly how to find pleasure in the small things of life.

My thanks are always to Dattatray R. Giri, and my elder brothers Santanu D. Giri, Dr. Ganesh D. Giri and Sham D. Giri due to their moral courage during the research period.

Good friends are always strength to themselves. The success is finally completed due to the kind co-operation and moral support by my elder sisters cum friends Manda, Neema Sangita and Sharda who encouraged me throughout my work.
I express my thanks to whole of my family who always feels proud on me. Most importantly, the deepest thanks from the bottom of my heart should be dedicated to my husband Dr. Nagnath Vinayakrao Kolhe and my Father in Law Mr. Vinayakrao Vishwnath Kolhe and Mother in Law Mrs. Kasturbai Vinayakrao Kolhe, Brother in Law Mr. Mahadev and Pradeep Kolhe.

I would like to thank my dear friends Rachana, Swati, Varsha, Usha, Asha, Asawari, Sony, Archana, Sadhana, Ulka, Anita Gunwati, Dipti, Pooja, Poonam, Priya and Priti who always has been beside me offering supporting hand and inspired me throughout my research work.

Finally, abig thanks goes to all my well wishers and to many great people who helped and supported me directly or indirectly throughout my work.

Miss. Varsha S. Kanse
