ACKNOWLEDGEMENT

The author expresses his profound sense of gratitude and heartfelt thanks to Dr. A. R. Santhakumar, Professor, Division of Structural Engineering, College of Engineering Guindy, under whose enthusiastic guidance the research work reported in this thesis has been carried out.

A sense of gratitude is due to Dr. M. Lakshmipathy, presently the Professor of Planning and Development, Anna University for his valuable guidance and advice in carrying out the tests and in preparation of this thesis.

Thanks are due to Dr. Bh. Nagabhushana Rao, Asst. Professor in Civil Engineering for his valuable comments, and useful suggestions in the computational work.

The author expresses his sincere thanks to Professor R. Palanivelu, the former Professor and Head of the Department of Civil Engineering who had permitted the author to register for Ph.D, but for which this work could not have been possible.

Dr. P. Purushothaman, Dr. N. Chitharanjan, Dr. A. Elangovan and Dr. G. M. Samuel Knight, Professors in the division of structural Engineering deserve special mention for their words of encouragement and help.

The author acknowledges with thanks the valuable assistance given by Thiru. A. Palanivel, R. Arun and M. Dori M.E. students of the Division of Structural Engineering during the testing programmes.

Thanks are due to those non teaching staff of the Division of Structural Engineering (C.E.G) who had helped him in carrying out this investigation.
The author is grateful to Thiru.S.P.Palanivel, Chief Engineer, Tamil Nadu Slum Clearance Board, Thiru.T.Jagadeesan, Chief Engineer, Tamil Nadu Police Housing Corporation for the various helps rendered in the preparation of this thesis. The author is also grateful to Thiru.P.S.Natarajan, Chief Engineer, TNHB, Thiru.S.Mariappan, Chief Engineer, TNHB and Thiru.M.Athmanathan, Chief Engineer, TNHB for their words of encouragement.

The author acknowledges the help rendered by his colleague, Thiru.A.K.Sreenivasan, Executive Engineer, TNHB and Thiru.Manni Balaji, Police housing corporation in the preparation of manuscript and drawings.

Last, but certainly not the least, the author is thankful to his wife and children for their patience, affection and the constant encouragement given by them throughout the period of this research work.
