ACKNOWLEDGEMENT

The author wishes to express his deep sense of gratitude to Dr. V. Subramaniam who, inspite of his busy schedule in the academic research, took a special care in monitoring the progress meticulously. At each stage of project work, his valuable guidance and encouragement motivated for the successful completion.

He wishes to thank Governing Council and Research Advisory Committee K.S.S.R and D. Institute, Bangalore for deputing him to higher studies. He is extremely thankful to Dr. S.B. Dandin, Director, K.S.S.R. and D. Institute for his kind inspiration to complete the work in fruitful manner.

He wishes to thank M/s. Karnataka Silk Industries Corporation, Bangalore for funding this project. He is extremely grateful to Dr. T.H. Somashekar, Director, CSTRI, Bangalore, under whose suggestions and guidance the project was completed. This work was carried out for Karnataka Silk Industries Corporation.

He is extremely grateful to the Doctoral committee members, Dr. Jayachandra, Chairman, Sahyadri College Campus, Kuvempu University and Dr. R. Sanjeevi, Scientist, CLRI, Madras for their helpful suggestions and active involvement.

Author wishes to express his deep sense of gratitude to Dr. A.R. Garde, Director, ATIRA, and Dr. S. Neelakantan, Head, Fibre Division, ATIRA for their kind help in completing the project.
Author conveys his sincere gratitude and earnest thanks to Dr. V.R. Srinivasmurthy, Reader, Department of Mathematics, Anna University, for his valuable suggestions, motivation, and constant encouragement in solving the problems in application of mathematical models to the silk fabrics.

He wishes to express his gratitude to K.S.S.R. & D.I. RAC Members Prof. B. Basavaraj, Director Technical (Retd.), Dept. of Technical Education, Bangalore, Mr. D. Mahadevappa, Additional Director (Retd.) Department of Sericulture, Bangalore, Dr. M. L. Gulrajani Professor, Textile Chemistry, IIT Delhi, and Mr. B. R. Venugopal, Silk Consultant Bangalore, for their encouragement throughout the project work.

He is thankful to the various Silk manufacturers namely, M/s. Swan, Silks, M/s. Pathi Silks, M/s. Shanthala Silks, M/s. Shankar Silks and M/s. Shesha Silks for their unbounded support in completing the project work, by supplying the commercially produced Silk samples.

He is thankful to Dr. R. C. Nayar for fruitful discussions in carrying out the work. Author also wishes to express his sincere gratitude to all staff members of Dept. of Textile Technology for their kind help. He is grateful to Mr. Chandra Mohan and Mr. J. Hayavadana, Research Scholars for their help in carrying out this project successfully.

He expresses his special thanks to his wife Smt. Anuradha Raichurkar for her active encouragement, inspite of the hardship she went through during the above period.
