Dear Sir,
I am principal in Mahudha Nagrik Sahakari Bank Kanya Vidalaya, Mahudha. I have registered my self as student for degree of PhD. From Sardar Patel University. For the same I have to conduct a research study on “A STUDY OF SELFCONFIDENCE OF HIGHER SECONDARYSCHOOL STUDENTS IN RELATION TO THEIR ACHIEVEMENT, EDUCATIONAL ASPIRATION AND CURIOSITY”
In order to collect information about self confidence, achievement, educational aspiration and curiosity for research purpose only. I would like to go through some of the school records concerned and would like to have your help to fill up questionnaire by students. I can ensure you that no personal information will be needed or reported.

I feel your teachers, students and yourself would be kind enough to help me out with needed information. I am sure you would realize how beneficial educational research can be to you and the school. I shall be contacting you personally soon.

Thanking you for the kind consideration

Yours faithfully,

K S Bharatiya.
