

ACKNOWLEDGEMENTS

I am gratefully indebted to my guide Prof. P. Thrimurthy garu, Director and Head of the Department of Computer Science for the motivation and inspiration provided in making this thesis a reality.

I am grateful to my senior faculty member Dr. O. S. Srivastav and colleague Mr. Vinodkumar for providing thoughtful suggestions.

Cooperation extended by my senior faculty members Dr. (Mrs) N. N. Chaurasia, Shri S. M. Patel, Shri K. M. Jhaveri and Shri P.V.Patel is invaluable.

I extend my thanks to other faculty members and non teaching staff of G. H. Patel Computer Centre for their cooperation. I am thankful to Shri O.T. Gulati, Superintending Engineer, Shri D.J. Joshi and Shri P.L. Shukla of WALMI, Anand.

It is my pleasure to thank Sasi, my wife for her willingness to postpone activities.

Finally my pranam to the respected and poojya kakasri Gordhanbhai Hatibhai Patel whose inspiration and blessings have encouraged my guruji and his disciples in contributing for the creative inventions at Gordhanbhai Hathibhai Computer Centre.

G. Srinivasa Rao
