ACKNOWLEDGEMENTS

First of all, I want to express my sincere gratitude to: The Prime Mover, God.

It is my privilege to express my gratitude to the people who have helped me during the course of Ph.D work, both at academic and personal level. The help I got is definitely invaluable without which the work would have been incomplete.

This thesis would not have been possible without the sound advice, excellent support and undying patience of my Supervisor, Prof. R. K. Sharma, Department of Zoology, Kurukshetra University, Kurukshetra. The unmatched ideas provided by him are invaluable on both academic and personal level, for which I am extremely grateful.

I also express my sincere gratitude to Prof. Girish Chopra, Chairman, Department of Zoology, Kurukshetra University, Kurukshetra for providing the necessary facilities for carrying out the research work.

Sincere thanks also to my teachers Prof. Abhey Singh Yadav, Dr. Anita Bhatnagar, Dr. Anil Tyor, Dr. Jitender Bhardwaj and Dr. Deepak Rai Babbar.

Help rendered by all the members of non-teaching staff of the department is highly acknowledged.

I am in dearth of words to thank my brother Mr. Sachin Gulati for his sincere co-operation, encouragement, ever willing help and inspiration during the compilation of my research work.

I acknowledge my lab mates Dr. Poonam Bhardwaj, Dr. Parmod Kumar, Dr. Anju Fulia, Mrs. Sudha Saini, Mr. Rayees Ahmed Bhatt, Ms. Priyanka, Atul and Shiv Kant Sharma for their sincere co-operation.

I wish to place on record my deep sense gratitude to my parents Late Sh. Guru Charan Gulati and Smt. Sarita Gulati, father in law Sh. Somnath Arora, mother in law Smt. Nita Arora, brother Mr. Ankit Gulati, brother in law Mr. Kamal Arora, and my husband Mr. Indrajeet Arora for their cooperation, and continuous encouragement through the course.

I bow to almighty for successfully completing the present academic pursuit.

Dated:                      (Alka Gulati)
