ACKNOWLEDGEMENT

The work on this dissertation has been long but exciting which would not have been possible without the help and encouragement of many and I would like to thank all those who have contributed in one way or another for the completion of the work, but in particular I like to thank the following people for their special contribution.

First of all, I gratefully thank my Lord and Saviour Lord Jesus Christ for guiding me throughout this research by His Omnipresence and blessings.

I would like to express my sincere thanks to the Vice-Chancellor, Karunya University, Coimbatore for having permitted me to pursue my research programme.

I would like to thank the Registrar, Karunya University, Coimbatore for allowing me to undergo my research.

I sincerely thank Dr.J.Sundarsingh, Professor and Head of the Department of English, Karunya University, Coimbatore for his cordial guidance, suggestions, support and encouragement throughout the research.

I like to express my deep sense of gratitude to my research Supervisor Dr.Olive Thambi, Asst. Professor in English, Govt. LRG Arts College for Women, Tirupur for her profound knowledge, encouragement and intellectual stimulation. I place on record my profound sense of gratitude and indebtedness to my co-guide Dr.S.Jeyachandra, Associate Professor in English, Karunya University, Coimbatore who has always been an invaluable source of scholarship and a unique amalgamation of erudition and humanness.
A special mention and sincere gratitude has to be made about my beloved mother Mrs. S. Jayamary Chinnappan, Teacher (Retd) who even at her ripe old age used to enquire about my research progress and encourage me till the end of my research. I like to thank my affectionate elder sister Mrs. Rani Muthunagai, Head Mistress (Retd) Govt. Hr. Sec. School, Pappireddipatty for her persistent support and inspiration throughout my research.

I remember with fond memories my late father-in-law Mr. Samuel Shanmugam, Officer (Retd) Southern Railway, Chennai who dreamt of my Ph.D. research years ago and my mother-in-law Mrs. Pushpa Samuel, Officer (Retd) Southern Railway, Chennai for her unflagging enquiries about my research progress. I thank them for their prayers and blessings.

I am indebted to express my deep sense of gratitude to my beloved wife Dr. Geetha David, Resident Medical Officer, Chief-Civil Surgeon and Eye-Specialist, Govt. Medical College and Super Speciality Hospital, Salem for her devotion, persistent prayers, physical and intellectual inspiration.

I specially thank my beloved sons Er. D. Romelus James and Er. D. Reemlus Jacob who patiently obliged me to mould my thesis. They devoted their precious time with me throughout my research. I pray the Lord to bless them abundantly.

I sincerely thank my brother C. Napoleon, Headmaster Govt. Hr Sec. School, Salem and my sister Dr. C. Vesta, Asst. Professor of Physics, Govt. Arts College, Tindivanam for their involvement and enthusiasm throughout my research.

I like to acknowledge the contribution of my students who exhibited excellent involvement and served as helpful experimental subjects.
